The Committee plans to submit a request to OMB to approve a collection of information concerning the qualifications of nonprofit agencies serving people who are blind or who have other significant disabilities to participate in the AbilityOne Program. The Committee is requesting a 3-year term of approval for this information collection activity.

Federal agencies may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The JWOD Act of 1971 (41 U.S.C. 8501–8506) is the authorizing legislation for the AbilityOne Program. The AbilityOne Program creates employment and training opportunities for people who are blind or who have other significant disabilities. Its primary means of doing so is by requiring Government agencies to purchase certain products and services from nonprofit agencies (NPA) employing such individuals. The AbilityOne Program is administered by the Committee. Two national, independent NPAs designated by the Committee, National Industries for the Blind (NIB) and SourceAmerica, help State and private nonprofit agencies participate in the AbilityOne Program.

The implementing regulations for the JWOD Act, which are located at 41 CFR Chapter 51, provide the requirements, procedures, and standards for the AbilityOne Program. Section 51–4.3 of the regulations sets forth the standards that a nonprofit agency must meet to maintain qualification for participation in the AbilityOne Program. Under this section of the regulations, a nonprofit agency that wants to continue to participate in the AbilityOne Program must submit a completed copy of the appropriate (Annual Representations and Certifications for AbilityOne Qualified Nonprofit Agency (OMB number 3037–0013). This documentation helps the Committee determine whether the nonprofit agency is meeting the requirements of the AbilityOne Program.

This information collection request seeks approval for the Committee to collect the information required under 41 CFR 51–4.3 of the regulations as part of its process to evaluate nonprofit agency qualifications under 41 CFR 51–2.4(a)[2]. Whenever the result of a nonprofit agency’s request to the Committee for the addition of a new product or service to the Procurement List (PL) exceeds $500,000 in total contract value, the nonprofit agency will be required to complete project specific representations and certification form to ensure that the
