DEPARTMENT OF HEALTH AND HUMAN SERVICES

Administration for Children and Families

Submission for OMB Review; Comment Request

Title: Accomplishments of the Domestic Violence Hotline, Online Connections and Text (ADVHOCaT) Study.

OMB No.: 0970-0468.

Description: The National Domestic Violence Hotline (The Hotline) and loveisrespect (LIR), which are supported

by the Division of Family Violence Prevention and Services within the Family and Youth Services Bureau (FYSB) of the Administration for Children and Families (ACF), U.S. Department of Health and Human Services (HHS), serve as partners in the intervention, prevention, and resource assistance efforts of the network of family violence, domestic violence, and dating violence service providers. To describe the activities and accomplishments of The Hotline and LIR and develop potential new or revised performance measures, the ACF Office of Planning, Research and Evaluation (OPRE) and FYSB are proposing a data collection activity as part of the Accomplishments of the Domestic Violence Hotline, Online Connections and Text (ADVHOCaT) Study.

As part of the ongoing program activities and monitoring for The Hotline and LIR, ACF proposes to

collect additional information via voluntary phone, chat, and Web-based surveys of individuals who contact The Hotline and LIR. Participants will complete an exit survey at the end of their contact with The Hotline and LIR, and a follow-up survey approximately two weeks later. The survey will include questions about reasons for contacting The Hotline/LIR, whether needs were met, satisfaction with services received, and helpfulness of information provided. This data collection builds on a previous data collection that was focused on understanding the preferred mode of contact by those who contact The Hotline and LIR. This new information will inform future efforts to monitor and improve the performance of domestic violence hotlines and provide hotline services.

Respondents: Individuals aged 18 and older who contact The Hotline and LIR via phone or chat.

ANNUAL BURDEN ESTIMATES

Instrument	Total number of respondents	Annual number of respondents	Number of responses per respondent	Average burden hours per response	Annual burden hours
The Hotline/LIR Baseline Survey	2,200	1,100	1	0.15	165
The Hotline/LIR Follow Up Survey	2,200	1,100	1	.01	110

Estimated Total Annual Burden Hours: 275 hours.

Additional Information: Copies of the proposed collection may be obtained by writing to the Administration for Children and Families, Office of Planning, Research and Evaluation, 330 C Street SW., Washington, DC 20201, Attn: OPRE Reports Clearance Officer. All requests should be identified by the title of the information collection. Email address: OPREinfocollection@acf.hhs.gov.

ADDRESSES: Submit written comments on the collection of information by fax 202.395.5806 or by email to OIRA_submission@omb.eop.gov, Attn: OMB Desk Officer for ACL.

SUPPLEMENTARY INFORMATION: ACL has submitted the following proposed collection of information to OMB for review and clearance. The Children's Health Act of 2000, 42 U.S.C. Section 300d-53(h), requires the Protection and Advocacy (P&A) System in each State to annually prepare and submit to the Secretary a report that includes documentation of the progress they have made in serving individuals with traumatic brain injury. AIDD will review the program performance reports

(PPRs) for compliance and for program outcomes. AIDD also will aggregate the information in the PPRs into a national profile of programmatic activities and accomplishments. Information from these reports is shared with the public through postings to the *ACL.gov* Web site. The information will also allow AIDD to track accomplishments against performance goals and determine areas where technical assistance is needed to comply with Federal requirements or improve performance. The annual PPRs are reviewed by federal staff for compliance and performance in established outcome areas. Information in the PPRs is analyzed to create a national profile of programmatic compliance, outcomes, and goals and priorities for P&A Systems for tracking accomplishments, goals and to determine areas of technical assistance the P&As need related to compliance with Federal requirements and program performance. Information collected in the unified report will inform AIDD of trends in P&A advocacy, collaboration

with other federally-funded entities, and identify best practices for efficient use of federal funds.

Comments in Response to the 60 Day Federal Register Notice

A notice was published in the **Federal Register** in Vol. 82, No. 10, pages 4888–4889, on January 17, 2017, announcing that ACL was requesting approval of a new data collection. ACL has not received any comments expressing concern related to the new PPR reporting forms for the P&A program. However, additional technical changes were made to the PATBI PPR template to clarify certain information collection items in the form. In Part I, section C(1)—Public Relations and Outreach, ACL added the language “racial and ethnic” before the word “minority” to the section C(1) question, “Describe the agency’s outreach efforts to previously unserved or underserved individuals, including minority communities” to make sure the question is clear. In Part II, section B, item 14.5 was updated to

“TANF” from “Welfare Reform,” and item 16 was updated to “Other Government Benefits/Services” from “Government Benefits/Services.” Last, Part II, section H, item 2 was updated to “American Indian/Alaska Native” from “American Indian/Alaskan Native.”

The PPR will allow federal staff to review the programs performance and achievement and assist where technical assistance is needed. Additionally, information contained in the PPR provides performance measures based on the annual reports. The performance data is reported to Congress under the Government Performance and Results Act Modernization Act (GPRAMA).

The proposed Protection and or Traumatic Brain Injury (PATBI) Program Performance Report (PPR) form can be found on the AIDD Web site at: https://acl.gov/Programs/AIDD/Program_Resource_Search/Results_PA.aspx.

ACL estimates the burden hours for this collection of information as follows:

ANNUAL BURDEN ESTIMATES

Instrument	Number of respondents	Number of responses per respondent	Average burden hours per response	Total burden hours
PATBI PPR	57	1	16	912

Dated: April 20, 2017.

Daniel P. Berger,
Acting Administrator and Assistant Secretary for Aging.
