SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-80510; File No. SR-CBOE-2017-034]

Self-Regulatory Organizations; Chicago Board Options Exchange, Incorporated; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change Relating to Rule 5.7

April 21, 2017.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on April 12, 2017, Chicago Board Options Exchange, Incorporated (the "Exchange" or "CBOE") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I and II, below, which Items have been prepared by the Exchange. The Exchange filed the proposal as a "non-controversial" proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act³ and

Rule 19b-4(f)(6) thereunder.⁴ The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend Rule 5.7. The text of the proposed rule change is provided below. (additions are *italicized*; deletions are [bracketed])

Chicago Board Options Exchange, Incorporated Rules

* * * * *

Rule 5.7. Adjustments

Options contracts are subject to adjustments in accordance with the Rules of the Options Clearing Corporation. [When adjustments have been made, announcement of that fact will be made by the Exchange, and the adjusted unit of trading and the adjusted exercise price will be posted at the post at which the series is traded and will be effective at the time specified in the announcement for all subsequent transactions in that series.]

The text of the proposed rule change is also available on the Exchange's Web site (<http://www.cboe.com/AboutCBOE/CBOELegalRegulatoryHome.aspx>), at the Exchange's Office of the Secretary, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend Rule 5.7. Currently, Rule 5.7 states options contracts are subject to adjustments in accordance with the Rules of the Options Clearing

Corporation ("OCC"). When adjustments have been made, announcement of that fact will be made by the Exchange, and the adjusted unit of trading and the adjusted exercise price will be posted at the post at which the series is traded and will be effective at the time specified in the announcement for all subsequent transactions in that series.

OCC lists and clears all options that trade on national securities exchanges. As stated in Rule 5.7, OCC rules govern options contract adjustments. OCC has sole discretion for adjustment decisions to ensure those decisions are consistent, efficient and free from undue influence. Because OCC's rules govern and provide OCC with sole discretion regarding options contract adjustments, including how and when these adjustments are made,⁵ CBOE does not believe it is necessary to have any role in the contract adjustment process.⁶ When OCC adjusts an options contract, OCC issues an information circular and publishes other information regarding the adjustment on its Web site. As a result, all Trading Permit Holders have access to information regarding contract adjustments from OCC.⁷ Therefore, CBOE does not believe its rules should impose any requirements on CBOE to announce contract adjustments made by OCC.⁸ CBOE proposes to amend Rule 5.7 by deleting the requirement to announce contract adjustments, as it is duplicative of OCC's requirement to publish this information. The Exchange also proposes to delete the requirement to post the adjusted unit of trading and exercise price at the post at which the series is traded. The concept of posting information at a trading post on the trading floor is outdated, as the Exchange's current primary means of communicating information to Trading Permit Holders is electronic means,

⁵ See Securities Exchange Act Release No. 34-69977 (July 11, 2013), 78 FR 42815, 42816-42817 (July 17, 2013) (SR-OCC-2013-05) (order approving proposed rule change to provide that OCC, rather than adjustment panel of the securities committee, will determine adjustments to the terms of options contracts to account for certain events, such as certain dividend distributions or other corporate actions, that affect the underlying security or other underlying interest).

⁶ CBOE does not comment on contract adjustments, and directs investors to contact OCC for information on contract adjustments. CBOE cannot provide guidance as to how OCC's by-laws or rules may be applied in any particular situation.

⁷ See <http://www.theocc.com/webapps/infomemos>. OCC's Web site permits investors to subscribe (free of charge) to directly receive information memos regarding contract adjustments from OCC when issued.

⁸ Currently, CBOE publishes information regarding contract adjustments on its Web site. See <http://www.cboe.com/trading-resources/contract-adjustments>.
