also calculate (estimated) \textit{ad valorem} importer-specific assessment rates with which to assess whether the per-unit assessment rate is \textit{de minimis}. We will instruct CBP to assess antidumping duties on all appropriate entries covered by this review when the importer-specific \textit{ad valorem} assessment rate calculated in the final results of this review is not zero or \textit{de minimis}. Where either the respondent’s \textit{ad valorem} weighted-average dumping margin is zero or \textit{de minimis}, or an importer-specific \textit{ad valorem} assessment rate is zero or \textit{de minimis},\footnote{See 19 CFR 351.106(c)(2).} we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties.

For entries that were not reported in the U.S. sales data submitted by companies individually examined during this review, the Department will instruct CBP to liquidate such entries at the rate for the PRC-wide entity.\footnote{Id.} Additionally, if the Department determines that an exporter under review had no shipments of the subject merchandise, any suspended entries that entered under that exporter’s case number (i.e., at that exporter’s cash deposit rate) will be liquidated at the rate for the PRC-wide entity.\footnote{Id.}

In accordance with section 751(a)(2)(C) of the Act, the final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the final results of this review and for future deposits of estimated antidumping duties, where applicable.

### Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this administrative review for shipments of the subject merchandise from the PRC entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided by section 751(a)(2)(C) of the Act: (1) For each specific company listed in the final results of review, the cash deposit rate will be equal to the weighted-average dumping margin established in the final results of this review (except, if the \textit{ad valorem} rate is \textit{de minimis}, then the cash deposit rate will be zero); (2) for previously investigated or reviewed PRC and non-PRC exporters not listed above that have received a separate rate in the completed segment of this proceeding for the most recent period, the cash deposit rate will continue to be the existing exporter-specific cash deposit rate; (3) for all PRC exporters of subject merchandise that have not been found to be entitled to a separate rate, the cash deposit rate will be the rate for the PRC-wide entity; and (4) for all non-PRC exporters of subject merchandise which have not received their own separate rate, the cash deposit rate will be the rate applicable to the PRC exporter that supplied that non-PRC exporter. These cash deposit requirements, when imposed, shall remain in effect until further notice.

### Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in the Department’s presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

### Notification to Interested Parties

This administrative review and notice are issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.221(b)(4).

Dated: May 1, 2017.

Ronald K. Lorentzen, Acting Assistant Secretary for Enforcement and Compliance.

DEPARTMENT OF COMMERCE

National Institute of Standards and Technology

Call for Industrial Wireless Testbed Participation

\textbf{AGENCY:} National Institute of Standards and Technology, Department of Commerce.

\textbf{ACTION:} Notice.

\textbf{SUMMARY:} The National Institute of Standards and Technology (NIST), an agency of the United States Department of Commerce, announces an opportunity for industrial wireless communications equipment suppliers and academic institutions to incorporate their use cases, techniques, and equipment into a NIST Industrial Wireless Testbed to help advance measurement science research in industrial wireless communication, with special emphasis on manufacturing applications.

\textbf{DATES:} The deadline for responding to this opportunity is June 30, 2017.

\textbf{ADDRESSES:} Applications to participate may be submitted in one of two ways.

- By sending an email to iwslab@nist.gov.
- By written request to National Institute of Standards and Technology ATTN: Richard Candell, 100 Bureau Drive, Stop 8230, Gaithersburg, MD 20899–8615.

Please direct media inquiries to NIST’s Office of Public Affairs at 301–975–2762.

\textbf{FOR FURTHER INFORMATION CONTACT:} Rick Candell, National Institute of Standards and Technology, 100 Bureau Drive, MS 8230, Gaithersburg, MD 20899, 301–975–4287, email: iwslab@nist.gov.

\textbf{SUPPLEMENTARY INFORMATION:} As part of the NIST Wireless Systems for Industrial Environments project, NIST has constructed a hardware-in-the-loop Industrial Wireless Testbed that includes a radio frequency channel emulator used to recreate the factory radio environment, and simulated and real factory processes, controls, and equipment. The emulator which is an Intelligent Automation Inc. D–508 emulator supports up to eight (8) devices. Industrial wireless communication devices are connected to the emulator, and measurement methods to assess the impacts of various types of wireless systems on the performance of simulated factory operations will be developed and applied. Participants will include researchers from industry and academia interested in supporting the industrial...
wireless measurement science activities at NIST.

Research results will be used as input into best practices reports on the performance measurement and use of industrial wireless systems in manufacturing applications. Integration of equipment into the Testbed will be conducted at the expense of the responder. Participants will be expected to loan their equipment, through a Cooperative Research and Development Agreement (CRADA) with NIST, for a period of typically 6 months for use in the testbed. Participants will be expected to contribute in-kind engineering resources necessary to integrate and operate their equipment in the Testbed, including making any needed modifications to their equipment to achieve compatibility with Testbed interfaces, at no cost to NIST. Participants will have access to NIST test equipment associated with the Testbed, subject to availability. Industry participants are also encouraged to describe candidate use cases for possible inclusion in Testbed activities.

Interested participants should respond by sending an email to iwslab@nist.gov or writing to the address listed in the ADDRESSES section. Inquiry emails should include a brief explanation of the purpose statement no more than 500 words explaining the purpose of collaboration and the benefit to NIST industrial wireless research objectives. The email may include a brief research plan no more than two (2) pages in length in PDF format. Product marketing materials are not acceptable as a research plan.

The deadline for responding to this opportunity is June 30, 2017. NIST will accept up to five responders as collaborators in the proposed project, on a first come, first-served basis. Due to limited resources, the proposed research project will be limited to a maximum of five collaborators. Acceptance of participants will be aimed at achieving a diversity of industrial wireless equipment in the Testbed, and will depend on the level of commitment of the participant, the proposed equipment and engineering support resources, and the availability of NIST resources to support incorporation of equipment into the Testbed.

Dated: May 1, 2017.  
Kevin A. Kimball,  
Chief of Staff.

COMMITTEE FOR PURCHASE FROM PEOPLE WHO ARE BLIND OR SEVERELY DISABLED

Procurement List; Proposed Addition

AGENCY: Committee for Purchase From People Who Are Blind or Severely Disabled.

ACTION: Proposed addition to the Procurement List.

SUMMARY: The Committee is proposing to add a service to the Procurement List that will be provided by a nonprofit agency employing persons who are blind or have other severe disabilities.

DATES: Comments Must Be Received on or Before: 6/4/2017.

ADDRESS: Committee for Purchase From People Who Are Blind or Severely Disabled, 1401 S. Clark Street, Suite 715, Arlington, Virginia 22202–4149.

FOR FURTHER INFORMATION CONTACT: Amy B. Jensen, Telephone: (703) 603–7740, Fax: (703) 603–0655, or email CMTEFedReg@AbilityOne.gov.

SUPPLEMENTARY INFORMATION: This notice is published pursuant to 41 U.S.C. 8503(a)(2) and 41 CFR 51–2.3. Its purpose is to provide interested persons an opportunity to submit comments on the proposed action.

Addition

If the Committee approves the proposed addition, the entities of the Federal Government identified in this notice will be required to provide the service listed below from a nonprofit agency employing persons who are blind or have other severe disabilities. The following service is proposed for addition to the Procurement List for production by the nonprofit agency listed:

COMMITTEE FOR PURCHASE FROM PEOPLE WHO ARE BLIND OR SEVERELY DISABLED

Procurement List; Deletions

AGENCY: Committee for Purchase From People Who Are Blind or Severely Disabled.

ACTION: Deletions from the Procurement List.

SUMMARY: This action deletes products from the Procurement List previously furnished by nonprofit agencies employing persons who are blind or have other severe disabilities.

ADDRESS: Committee for Purchase From People Who Are Blind or Severely Disabled, 1401 S. Clark Street, Suite 715, Arlington, Virginia 22202–4149.

FOR FURTHER INFORMATION CONTACT: Amy B. Jensen, Telephone: (703) 603–7740, Fax: (703) 603–0655, or email CMTEFedReg@AbilityOne.gov.

SUPPLEMENTARY INFORMATION: Deletions

On 4/7/2017 (82 FR 17000–17002), the Committee for Purchase From People Who Are Blind or Severely Disabled published notice of proposed deletions from the Procurement List. After consideration of the relevant matter presented, the Committee has determined that the products listed below are no longer suitable for procurement by the Federal Government under 41 U.S.C. 8501–8506 and 41 CFR 51–2.4.

Regulatory Flexibility Act Certification

I certify that the following action will not have a significant impact on a substantial number of small entities. The major factors considered for this certification were:

1. The action will not result in additional reporting, recordkeeping or other compliance requirements for small entities.

2. The action may result in authorizing small entities to furnish the products to the Government.

3. There are no known regulatory alternatives which would accomplish the objectives of the Javits-Wagner-O’Day Act (41 U.S.C. 8501–8506) in connection with the products deleted from the Procurement List.

End of Certification

Accordingly, the following products are deleted from the Procurement List:
