#### Multilayered Wood Flooring From the People's Republic of China: Final Results and Partial Rescission of Countervailing Duty Administrative Review; 2014

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**SUMMARY:** The Department of Commerce (Department) has completed its administrative review of the countervailing duty (CVD) order on multilayered wood flooring (MLWF) from the People's Republic of China (PRC) for the January 1, 2014, through December 31, 2014, period of review (POR). We have determined that mandatory respondents Dalian Penghong Floor Products Co., Ltd. (Penghong) and Fine Furniture (Shanghai) Limited (Fine Furniture), and their cross-owned affiliates, where applicable, received countervailable subsidies during the POR. The final net subsidy rates are listed below in "Final Results of Administrative Review." We are also rescinding the review for three companies that timely certified they made no shipments of subject merchandise during the POR.

**DATES:** Effective May 15, 2017.

**FOR FURTHER INFORMATION CONTACT:** Dennis McClure or Sergio Balbontin, AD/CVD Operations, Office VIII, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-5973 or (202) 482-6478, respectively.

#### SUPPLEMENTARY INFORMATION:

##### Background

The Department selected Penghong and Fine Furniture as mandatory respondents in this administrative review of the CVD Order on MLWF from the PRC.<sup>1</sup> The Department published

<sup>1</sup> See *Multilayered Wood Flooring from the People's Republic of China: Countervailing Duty Order*, 76 FR 76693 (December 8, 2011); see also

the *Preliminary Results* of the administrative review in the **Federal Register** on January 9, 2017.<sup>2</sup> We invited interested parties to comment on the *Preliminary Results*. On February 8, 2017, we received case briefs from the Government of the People's Republic of China (GOC) and Fine Furniture.<sup>3</sup> No party filed a rebuttal brief.

##### Scope of the Order

The product covered by the Order is multilayered wood flooring from the PRC. For a complete description of the scope of the order, see the Issues and Decision Memorandum.<sup>4</sup>

##### Analysis of Comments Received

All issues raised in the parties' briefs are addressed in the Issues and Decision Memorandum. A list of the issues addressed is attached to this notice at Appendix I. The Issues and Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <http://access.trade.gov> and in the Central Records Unit, Room B8024 of the main Department building. In addition, a complete version of the Issues and Decision Memorandum can be accessed directly at <http://enforcement.trade.gov/frn/>. The signed Issues and Decision Memorandum and the electronic version of the Issues and Decision Memorandum are identical in content.

##### Methodology

The Department conducted this review in accordance with section

*Multilayered Wood Flooring from the People's Republic of China: Amended Antidumping and Countervailing Duty Orders*, 77 FR 5484 (February 3, 2012), wherein the scope of the Order was modified (collectively, *Order*).

<sup>2</sup> See *Multilayered Wood Flooring from the People's Republic of China: Preliminary Results of Countervailing Duty Administrative Review, Rescission of Review, in Part, and Intent to Rescind the Review in Part; 2014*, 82 FR 2319 (January 9, 2017) (*Preliminary Results*), and accompanying Preliminary Decision Memorandum.

<sup>3</sup> See Letters from the GOC, "Case Brief of the Government of the People's Republic of China," and Fine Furniture, "Administrative Review of the Countervailing Duty Order on Multilayered Wood Flooring from the People's Republic of China: Case Brief," dated February 8, 2017.

<sup>4</sup> See Memorandum to Ronald K. Lorentzen, Acting Assistant Secretary for Enforcement and Compliance, from Gary Taverman, Associate Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations, "Decision Memorandum for Final Results and Partial Rescission of Countervailing Duty Administrative Review: Multilayered Wood Flooring from the People's Republic of China; 2014" (Issues and Decision Memorandum), dated concurrently with, and hereby adopted by, this notice.

751(a)(1)(A) of the Tariff Act of 1930, as amended (Act). For each of the subsidy programs found countervailable, we find that there is a subsidy, *i.e.*, a government-provided financial contribution that gives rise to a benefit to the recipient, and that the subsidy is specific.<sup>5</sup> The Issues and Decision Memorandum contains a full description of the methodology underlying the Department's conclusions, including any determination that relied upon the use of adverse facts available pursuant to sections 776(a) and (b) of the Act.

**Partial Rescission of Administrative Review**

As noted in the *Preliminary Results*, the Department timely received no-shipment certifications from Changbai Mountain Development and Protection Zone Hongtu Wood Industrial Co., Ltd., Shenyang Senwang Wooden Industry Co., Ltd., and Jiangsu Yuhui International Trade Co., Ltd. The Department stated its intention to rescind the review with respect to these companies. The Department inquired with U.S. Customs and Border Protection (CBP) whether these companies had shipped merchandise to the United States during the POR, and CBP provided no evidence to contradict the claims of no shipments made by these companies. Accordingly, the Department is rescinding the administrative review of these companies, pursuant to 19 CFR 351.213(d)(3).

As noted in the *Preliminary Results*, three additional companies also filed timely no-shipment certifications: Henan Xingwangjia, Technology Co., Ltd., Dalian Xinjinghua Wood Co., Ltd., and Xuzhou Antop International Trade Co., Ltd. However, we continue to determine that there is sufficient evidence on the record of this review to conclude that these companies had reviewable transactions during the POR. Therefore, we are continuing to include these companies in this administrative review for the final results.

**Rate for Non-Selected Companies Under Review**

In this review, in addition to the two selected mandatory respondents, there are 104 companies for which a review was requested and not rescinded, but which were not selected for individual examination (non-selected respondents). To determine a rate for the non-selected respondents, we followed the

Department's practice, which is to derive an average of the subsidy rates calculated for those companies selected for individual review, excluding *de minimis* rates or rates based entirely on adverse facts available. In this case, we assigned to the non-selected respondents the simple average of the rates calculated for Fine Furniture and Penghong. Instead of a weighted average, we are using a simple average as it provides a reasonable proxy for a weighted-average rate and protects business proprietary data otherwise necessary for deriving a weighted average.

**Final Results of Administrative Review**

In accordance with 19 CFR 351.221(b)(4)(i), we determine the following net subsidy rates for the 2014 administrative review.
