SUPPLEMENTARY INFORMATION:

Title: Certification of Affirmation of Enrollment Agreement Correspondence Course (VA Form 22–1999c).
Type of Review: Revision of a currently approved collection.
Abstract: VA Form 22–1999c is used to pay education benefits for correspondence training. This information allows VA to determine if the claimant has been informed of the 5 day reflection period required by law. VA can pay education benefits, the claimant must affirm in writing the enrollment agreement for the correspondence course after the expiration of 5 days following the date he or she signed the correspondence contract. Accordingly, VA Form 22–1999c, Certificate of Affirmation of Enrollment Agreement of Correspondence Course was developed to assist with this statutory requirement. The claimant either affirms the agreement or destroys this form. The claimant then notifies the correspondence school of this decision. If the agreement is affirmed, the claimant enters a date no later than the seventh day after the date the agreement was signed, signs the form, and then the claimant sends the completed form to the correspondence school. The correspondence school’s Certifying Official attaches an enrollment certification to VA Form 22–1999c and sends both forms to VA for processing.
