On March 20, 2017, the Department published the countervailing duty order on CTL plate from the PRC.1 On April 19, 2017, the Department received a request from Tiangong Tools to conduct an expedited review of this countervailing duty order.2 Tiangong Tools, a company that was not selected for individual examination during the investigation, made this request. In addition, pursuant to 19 CFR 351.214(k)(1), in the underlying investigation, the Department limited the number of exporters or producers to be individually examined under section 777A(e)(2)[A], and did not accept Tiangong Tool’s request for voluntary respondent treatment.4 Therefore, in accordance with 19 CFR 351.214(k), we are initiating an expedited review of the countervailing duty order on CTL plate from the PRC with respect to Tiangong Tools.
