How has GRS 1.1 changed? How might these changes affect my agency?

We added one new item (001) to cover financial management and reporting administrative records.

How has GRS 2.5 changed?

We added two news items (050 and 051) for records created by phased retirement programs.

How has GRS 3.1 changed?

We added one new item (001) to cover technology management administrative records.

How has GRS 4.2 changed?

We added two new items. Item 001 covers administrative records on FOIA, Privacy Act, and classified documents. Item 180 covers virtual public access library records. Also, we slightly altered titles of items 060, 061, 120, and 121 from what appeared in Transmittal 26 to match the titles under which they were approved in ERA. The new titles alter neither meaning nor coverage of the items.

What GRS items does GRS Transmittal 27 rescind?

Many old GRS items are superseded by new GRS items. A few old items, however, have outlived their usefulness and cannot be crosswalked to new items. The table below lists old items newly rescinded by GRS Transmittal 27.

How do I cite new GRS items?

When you send records to an FRC for storage, you should cite the records’ legal authority—the “DAA” number—in the “Disposition Authority” column of the table. For informational purposes, please include schedule and item number. For example, “DAA—GRS—2013-0001-0004 (GRS 4.3, item 020).”

Do I have to take any action to implement these GRS changes?

NARA regulations (36 CFR 1226.12(a)) require agencies to disseminate GRS changes within six months of receipt.

Per 36 CFR 1227.12(a)(1), you must follow GRS dispositions that state they must be followed without exception.

Per 36 CFR 1227.12(a)(3), if you have an existing schedule that differs from a new GRS item that does not require being followed without exception, and you wish to continue using your agency-specific authority rather than the GRS authority, you must notify NARA within 120 days of the date of this transmittal.

If you do not have an already existing agency-specific authority but wish to apply a retention period that differs from that specified in the GRS, you must submit a records schedule to NARA for approval via the Electronic Records Archives.

How do I get copies of the new GRS?

You can download the complete current GRS, in PDF format, from NARA’s Web site at http://www.archives.gov/records-mgmt/grs.html.

Whom do I contact for further information?

Writing and maintaining the GRS is the responsibility of the GRS Team. You may contact the team with general questions about the GRS at GRS_Team@nara.gov. This team is part of Records Management Services in the National Records Management Program of the Office of the Chief Records Officer at NARA.

Your agency’s records officer may contact the NARA appraiser or records analyst with whom your agency normally works for support in carrying out this transmittal. A list of the appraisal and scheduling work group and regional contacts is on the NARA Web site at http://www.archives.gov/records-mgmt/appraisal/index.html.
