Transportation may authorize the transfer of a public purpose other than public transportation only if the Secretary decides:

(A) The asset will remain in public use for at least 5 years after the date the asset is transferred;

(B) There is no purpose eligible for assistance under this chapter for which the asset should be used;

(C) The overall benefit of allowing the transfer is greater than the interest of the Government in liquidation and return of the financial interest of the Government in the asset, after considering fair market value and other factors; and

(D) Through an appropriate screening or survey process, that there is no interest in acquiring the asset for Government use if the asset is a facility or land.

**Federal Interest in Acquiring Land or Facility**

This document implements the requirements of 49 U.S.C. Section 5334(h)(l)(D). Accordingly, FTA hereby provides notice of the availability of the Facility further described below. Any Federal agency interested in acquiring the affected facility should promptly notify the FTA.

If no Federal agency is interested in acquiring the existing Facility, FTA will make certain that the other requirements specified in 49 U.S.C. Section 5334(h)(1)(A) through (C) are met before permitting the asset to be transferred.

The facility is located at 308 Miami Street, Urbana, Ohio and consists of approximately a 14,850 square foot, one-story, concrete block, 12-bay transit garage building. The building was built in 1994 being approximately and has poured concrete footers and concrete slab floor. Other site improvements consist of a concrete apron on approximately 3,262 SF which has approximately 8 lined diagonal spaces of parking and 145 lineal feet of guard rail along the rear of the building.

If no Federal agency is interested in acquiring the existing Facility, FTA will make certain that the other requirements specified in 49 U.S.C. Section 5334(h)(1)(A) through (C) are met before permitting the asset to be transferred.

**Marisol Simón.**

Regional Administrator, FTA Region V.
