The Department previously rescinded this review with respect to two of the four companies. Based on timely withdrawal of requests for review, we are rescinding this administrative review with respect to the remaining two companies, Beijing Sai Lin Ke Hardware Co. Ltd. (SLK) and LDR Industries Inc (LDR).

DATES: Effective May 30, 2017.

request, on February 13, 2017, in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act), the Department published in the **Federal Register** a notice of initiation of an administrative review covering the period December 1, 2015, through November 30, 2016, with respect to four companies: SLK, LDR, Jinan Meide Casting Co., Ltd. (JMC), and Langfang Pannext Pipe Fitting Co., Ltd. (Pannext).³ Based on a timely withdrawal of requests for review, the Department previously rescinded the review, in part, with respect to Pannext and JMC.⁴ On April 27, 2017, the petitioner timely withdrew its request for an antidumping duty administrative review of the two remaining companies covered by the *Initiation Notice*, SLK and LDR.⁵

Rescission

Pursuant to 19 CFR 351.213(d)(1), the Secretary will rescind an administrative review, in whole or in part, if a party who requested a review withdraws the request within 90 days of the date of publication of the notice of initiation of the requested review. Anvil timely withdrew its request for an administrative review of SLK and LDR within the 90-day deadline. No other party requested a review of these companies. Accordingly, we are rescinding this review with respect to these companies, pursuant to 19 CFR 351.213(d)(1). Further, as a result of the rescission with respect to SLK and LDR and the prior rescission with respect to Pannext and JMC, this review is now rescinded in its entirety.

Assessment

Because the Department is rescinding this administrative review in its entirety, the Department will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all appropriate entries of malleable cast iron pipe fittings from the PRC. Notification to Importers

This notice serves as a reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Department's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.
