

Estimated Number of Respondents: 284.
Estimated Average Annual Burden Hours per Respondent: 9.5.
Estimated Total Annual Burden Hours: 2,704.
Frequency of Collection: Occasional.
Type of Respondents: Respondents include persons registered with the Commission (such as commodity pool operators, commodity trading advisors, derivatives clearing organizations, designated contract markets, futures commission merchants, introducing brokers, swap dealers, and swap execution facilities); persons seeking an exemption from registration; persons whose registration with the Commission is pending; trade associations and their members; eligible contract participants; and other persons seeking relief from discrete regulatory requirements.

There are no capital costs or operating and maintenance costs associated with this collection.
 These estimates, as set forth in greater detail below, include the burden hours for complying with the information requirements for exemptive, no-action and interpretative letters contained in § 140.99(c) of the Commission's regulations; effecting the filing of such letters pursuant to § 140.99(d); providing notice to Commission staff of materially changed facts and circumstances pursuant to § 140.99(c)(3)(ii); complying with any conditions and monitoring that may be contained in a grant of no-action or exemptive relief pursuant to § 140.99(e); complying with requirements to make disclosures to third parties; and preparing and submitting withdrawals of requests for exemptive, no-action and interpretative letters, as provided in § 140.99(f). The estimates also include

burden hours related to a request for confidential treatment made pursuant to § 140.98(b) of the Commission's regulations.⁴
 The burden hours associated with requests for exemptive, no-action and interpretative letters include both the drafting and filing of the request itself as well as performing the underlying factual or legal analysis generally to comply with the information collection. The burden hours associated with individual requests will vary widely, depending upon the type and complexity of relief requested, whether the request presents novel or complex issues, the relevant facts and circumstances, and the number of requestors or other affected entities. The Commission provides estimates of the amount of time that any requestor spends on any particular request as each request is unique, based upon the preceding factors.

activities, please contact Bonnie Jones, 202–245–7395.

SUPPLEMENTARY INFORMATION: The Department of Education (ED), in accordance with the Paperwork Reduction Act of 1995 (PRA) (44 U.S.C. 3506(c)(2)(A)), provides the general public and Federal agencies with an opportunity to comment on proposed, revised, and continuing collections of information. This helps the Department assess the impact of its information collection requirements and minimize the public's reporting burden. It also helps the public understand the Department's information collection requirements and provide the requested data in the desired format. ED is soliciting comments on the proposed information collection request (ICR) that is described below. The Department of Education is especially interested in public comment addressing the following issues: (1) Is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology. Please note that written comments received in response to this notice will be considered public records.

Title of Collection: Special Education-Individual Reporting on Regulatory Compliance Related to the Personnel Development Program's Service Obligation and the Government Performance and Results Act (GPRA).

OMB Control Number: 1820–0686.

Type of Review: A revision of an existing information collection.

Respondents/Affected Public: Private Sector; Individuals or Households.

Total Estimated Number of Annual Responses: 34,523.

Abstract: This data collection serves three purposes for the Office of Special Education Program's Personnel Development Program (PD). First, data from three sources (grantees, scholars, and employers) are necessary to assess the performance of the PDP on its Government Performance Results Act (GPRA) measures. Second, data from all three sources are necessary to determine if scholars comply with the service obligation requirements. And finally, project-specific performance data are collected from PDP grantees for project monitoring and program improvement.
