Title of Collection: U.S. Department of Education Supplemental Information for the SF-424 Form.

OMB Control Number: 1894-0007.

Type of Review: An extension of an existing information collection.

Respondents/Affected Public: State, Local, and Tribal Governments.

Total Estimated Number of Annual Responses: 8,078.

Total Estimated Number of Annual Burden Hours: 2,666.

Abstract: The U.S. Department of Education Supplemental Information form for the SF-424 is used together with the SF-424, Application for Federal Assistance. Several years ago ED made a decision to switch from its previously cleared form, the Application for Federal Education Assistance or ED 424 (1890-0017) collection (now 1894-0007). ED made a policy decision to switch to the SF-424 in keeping with Federal-wide forms standardization and streamlining efforts, especially with widespread agency use of *Grants.gov*.

There were several data elements/questions on the ED 424 that were required for ED applicants that were not included on the SF-424. Therefore, ED put these questions that were already cleared as part of the 1890-0017

collection (now 1894-0007) on a form entitled the, U.S. Department of Education Supplemental Information for the SF-424.

The questions on this form deal with the following areas: Project Director identifying and contact information; Novice Applicants; and Human Subjects Research. The ED supplemental information form could be used with any of the SF-424 forms in the SF-424 forms family, as applicable.

Dated: May 30, 2017.

Tomakie Washington,

Acting Director, Information Collection Clearance Division, Office of the Chief Privacy Officer, Office of Management.
