Notification to Importers

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in the Department's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Administrative Protective Order

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or destruction of APO materials, or conversion to judicial protective order, is hereby requested. Failure to comply with the regulations and terms of an APO is a sanctionable violation.

We are issuing and publishing these final results and this notice in accordance with sections 751(a)(1) and 777(i) of the Act.

Background

On April 12, 2017, the Department of Commerce (Department) initiated countervailing duty investigations (CVD) on biodiesel from Argentina and Indonesia.¹ Currently, the preliminary determinations of these investigations are due no later than June 16, 2017.

Multilayered Wood Flooring From the People's Republic of China: Final Results and Partial Rescission of Antidumping Duty New Shipper Reviews; 2014-2015

AGENCY: Enforcement and Compliance, International Trade Administration, Commerce.

SUMMARY: On December 28, 2016, the Department of Commerce (the Department) published the preliminary results, and partial rescission, of the new shipper reviews of the antidumping duty (AD) order on multilayered wood flooring (MLWF) from the People's Republic of China (PRC). Based on our analysis of the comments received, we continue to find Zhejiang Simite Wooden Co., Ltd.'s (Simite Wooden) sale to be non-*bona fide*. Therefore, we are rescinding the new shipper review (NSR) with respect to Simite Wooden. We also continue to find that Jiangsu Keri Wood Co., Ltd. (Keri Wood) did not make a sale at less than normal value (NV), and is eligible for a separate rate. The final dumping margin for Keri Wood is listed in the "Final Results of Kerri Wood's New Shipper Review" section of this notice, below.
