I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to remove Chapter 21, entitled "ISE Stock Exchange, LLC Trading Rules" from the ISE Rulebook.

The text of the proposed rule change is available on the Exchange's Web site at www.ise.com, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of this rule change is to remove Chapter 21, entitled "ISE Stock Exchange, LLC Trading Rules" from the ISE Rulebook. The Exchange is not currently operating an equities market on ISE. At this time, the Exchange proposes to remove Chapter 21 rules related to an equities market and reserve that section. The Exchange also proposes to remove any cross-references to Chapter 21 within the ISE Rules.³

In 2006, ISE received approval to adopt rules to govern its electronic trading system for equity securities.⁴ The rules in Chapter 21 were adopted at that time. These rules govern the operation of the ISE Stock Exchange, LLC ("ISE Stock Exchange"),⁵ an electronic trading system for equity

³ See ISE Rules 100(a)(4), (7), (29), (34), Rule 500 and Rule 702.

⁴ See Securities and Exchange Act Release No. 54528 (September 28, 2006), 71 FR 58650 (October 4, 2006) (Order Approving Proposed Rule Change and Notice of Filing and Order Granting Accelerated Approval of Amendment No. 1 Thereto Relating to the Adoption of Rules To Govern Its Electronic Trading System for Equities) (SR-ISE-2006-48).

⁵ On September 1, 2006, the Commission approved a proposed rule change establishing the ISE Stock Exchange as a "facility," as defined in Section 3(a)(2) of the Act, of the Exchange. See Securities Exchange Act Release No. 54399, 71 FR 53728 (September 12, 2006) (SR-ISE-2006-45).

securities. In addition, certain options rules are incorporated into Chapter 21 by reference to those rules for the trading of equity securities on the ISE Stock Exchange.

ISE Stock Exchange operated until December 23, 2008, at which time, ISE merged ISE Stock Exchange with a wholly-owned subsidiary of Direct Edge Holdings LLC ("Direct Edge").⁶ For a period of time after which ISE ceased operating the equities business, ISE, pursuant to a regulatory services agreement, conducted various regulatory services on behalf of EDGX Exchange, Inc. until such time as EDGX received its registration in 2010.⁷

At this time, ISE is proposing to remove all rules in Chapter 21 from the ISE Rulebook, along with the references to Chapter 21 in other ISE rules. The Exchange would file a proposed rule change to adopt new rules if it determines to operate an equities market in the future.

2. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act,⁸ in general, and furthers the objectives of Section 6(b)(5) of the Act,⁹ in particular, in that it is designed to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general to protect investors and the public interest for the reasons stated below. The Exchange is currently not operating an equities market and has not operated an equities market since December 2008. The Exchange desires to remove the rules relating to an equities market from its Rulebook at this time as well as references to Chapter 21 in other ISE rules. The Exchange believes that the removal of the rules and cross-references are consistent with the Act to perfect the mechanism of a free and open market and a national market system, and, in general to protect investors and the public interest in avoiding any confusion the operation of these rules.

Today, ISE operates an options market which will not be impacted by the removal of the Chapter 21 rules and

cross-references to Chapter 21. The remainder of the Rulebook concerns the operation of the options product.

The Exchange does not believe that the remove of Chapter 21 and cross-references to Chapter 21 will materially impact members on ISE as such trading has not occurred since late 2008.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any undue burden on competition not necessary or appropriate in furtherance of the purposes of the Act. The proposal would eliminate confusion with respect to ISE's offerings. The Exchange does not believe that this proposal imposes any burden on competition because there are many venues today which offer trading in equities products. The Exchange does not believe that the removal of Chapter 21 and cross-references to Chapter 21 will materially impact members on ISE as such trading has not occurred since December 2008. Also, the options market will not be impacted by the removal of the Chapter 21 rules and cross-references to Chapter 21.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A)(iii) of the Act¹⁰ and subparagraph (f)(6) of Rule 19b-4 thereunder.¹¹

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is: (i) Necessary or appropriate in the public interest; (ii) for the protection

¹¹ 17 CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6) requires a self-regulatory organization to give the Commission written notice of its intent to file the proposed rule change at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.

of investors; or (iii) otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

Self-Regulatory Organizations; MIAX PEARL, LLC; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Amend the MIAX PEARL Fee Schedule To Establish an Options Regulatory Fee ("ORF")

June 7, 2017.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on May 26, 2017, MIAX PEARL, LLC ("MIAX PEARL" or "Exchange") filed with the Securities and Exchange Commission ("Commission") a proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange is filing a proposal to amend the MIAX PEARL Fee Schedule (the "Fee Schedule") by establishing an Options Regulatory Fee ("ORF").

The Exchange initially filed the proposal on February 3, 2017 (SR-PEARL-2017-09).³ That initial filing was withdrawn and replaced with a second filing on March 30, 2017 (SR-PEARL-2017-15).⁴ That second filing was withdrawn and replaced with a third filing on May 26, 2017 (SR-PEARL-2017-26).

The text of the proposed rule change is available on the Exchange's Web site at <http://www.miaxoptions.com/rule-filings/pearl>, at MIAX's principal office, and at the Commission's Public Reference Room.

³ See Securities Exchange Act Release No. 80035 (February 14, 2017), 82 FR 11272 (February 21, 2017)(SR-PEARL-2017-09).

⁴ See Securities Exchange Act Release No. 80423 (April 10, 2017), 82 FR 18045 (April 14, 2017)(SR-PEARL-2017-15). The replacement filings did not increase or decrease the amount of the ORF, but rather clarified the application of the ORF.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

Currently, the Exchange charges an ORF in the amount of \$0.0010 per contract side. The proposed rule change does not change the amount of the ORF, but instead modifies the rule text to clarify how the ORF is assessed and collected. The per-contract ORF will continue to be assessed by MIAX PEARL to each MIAX PEARL Member for all options transactions, including Mini Options, cleared or ultimately cleared by the Member which are cleared by the Options Clearing Corporation ("OCC") in the "customer" range, regardless of the exchange on which the transaction occurs. The ORF will be collected by OCC on behalf of MIAX PEARL from either (1) a Member that was the ultimate clearing firm for the transaction or (2) a non-Member that was the ultimate clearing firm where a Member was the executing clearing firm for the transaction. The Exchange uses reports from OCC to determine the identity of the executing clearing firm and ultimate clearing firm.

To illustrate how the ORF is assessed and collected, the Exchange provides the following set of examples. If the transaction is executed on the Exchange and the ORF is assessed, if there is no change to the clearing account of the original transaction, then the ORF is collected from the Member that is the executing clearing firm for the transaction. (The Exchange notes that, for purposes of the Fee Schedule, when there is no change to the clearing account of the original transaction, the executing clearing firm is deemed to be the ultimate clearing firm.) If there is a change to the clearing account of the original transaction (*i.e.*, the executing clearing firm "gives-up" or "CMTAs" the transaction to another clearing firm), then the ORF is collected from the
