Pursuant to 19 CFR 351.213(d)(1), the Secretary will rescind an administrative review, in whole or in part, if the parties that requested a review withdraw the request within 90 days of the date of publication of the notice of initiation. The Department published the Initiation Notice for this administrative review on January 13, 2017. The petitioner timely withdrew its request for a review of DufEnergy, Duferco Celik, and Ekinçiler Demir within the 90-day period. No other party requested an administrative review of these particular companies. Therefore, in accordance with 19 CFR 351.213(d)(1), and consistent with our practice, we are rescinding this review of the CVD order on rebar from Turkey with respect to DufEnergy, Duferco Celik, and Ekinçiler Demir. This review will continue with respect to all other firms for which a review was requested and initiated.

Assessment
The Department will instruct Customs and Border Protection (CBP) to assess countervailing duties on all appropriate entries at a rate equal to the cash deposit of estimated countervailing duties required at the time of entry, or withdrawal from warehouse, for consumption, during the period January 1, 2015, through December 31, 2015, in accordance with 19 CFR 351.212(c)(1)(i). The Department intends to issue appropriate assessment instructions directly to CBP 15 days after publication of this notice.

Notification Regarding Administrative Protective Order
This notice serves as a final reminder to parties subject to administrative protective orders (APOs) of their responsibility concerning the disposition of proprietary information disclosed under an APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction. This notice is issued and published in accordance with sections 773(a)(1) and 777(j)(1) of the Tariff Act of 1930, as amended, and 19 CFR 351.213(d)(4).

SUMMARY: The Department of Commerce (Department) has completed its administrative review of the countervailing duty (CVD) order on chlorinated isocyanurates (chloro isos) from the People’s Republic of China (PRC) for the February 4, 2014, through December 31, 2014, period of review (POR). We have determined that mandatory respondents Heze Huayi Chemical Co., Ltd. (Heze) and Hebei Jiheng Chemical Co., Ltd. (Jiheng), and their cross-owned affiliates, where applicable, received countervailable subsidies during the POR. The final net subsidy rates are listed below in “Final Results of Administrative Review.” We are also rescinding the review for Juancheng Kangtai Chemical Co., Ltd. (Kangtai) that timely certified it made no shipments of subject merchandise during the POR.

SUPPLEMENTARY INFORMATION:
Background
On November 13, 2014, the Department published the CVD Order on chloro isos from the PRC. The Department published the Preliminary Results of this administrative review in the Federal Register on December 13, 2016. We invited interested parties to comment on the Preliminary Results. On May 19, 2017, we received case briefs from the petitioners and the Government of China (GOC). On May 24, 2017 we received rebuttal comments from the petitioners, Jiheng, and Heze.

On May 31, 2017, the Department issued the results of its post-preliminary decision on the China Export Import Bank’s Export Buyer’s Credit Program, and invited comments on the Department’s decision. On June 2, 2017, Heze provided comments on the post-preliminary decision. On June 5, 2017, we received rebuttal comments on the post-preliminary decision from the petitioners and the GOC.

Scope of the Order

The products covered by the order are chloro isos, which are derivatives of cyanuric acid, described as chlorinated s-triazine triiones. Chloro isos are currently classifiable under subheadings 2933.69.6015, 2933.69.6021, 2933.69.6050, 3808.94.5000, and 3808.99.9500 of the Harmonized Tariff Schedule of the United States (HTSUS). The HTSUS subheadings are provided for convenience and customs purposes; the written product description of the scope of the order is dispositive.

Analysis of Comments Received

All issues raised in the parties’ briefs are addressed in the Issues and Decision Memorandum. A list of the issues addressed is attached to this notice at Appendix I. The Issues and Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at http://access.trade.gov and in the Central Records Unit, Room B8024 of the main Department building. In addition, a complete version of the Issues and Decision Memorandum can be accessed directly at http://enforcement.trade.gov/fmi. The signed Issues and Decision Memorandum and the electronic version of the Issues and Decision Memorandum are identical in content.

Changes Since the Preliminary Results

Based on case briefs, rebuttal briefs, and all supporting documentation, we made changes from the Preliminary Results. For Heze, the Department has corrected the average useful life range from 9 to 10 years. The Department also found the Export Buyer’s Credit Program to be countervailable and applied an adverse inference in a post-preliminary decision memorandum. However, the Department has adjusted the adverse inference rate in these final results.

Methodology

The Department conducted this review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs found countervailable, we find that there is a subsidy, i.e., a government-provided financial contribution that gives rise to a benefit to the recipient, and that the subsidy is specific. The Issues and Decision Memorandum contains a full description of the methodology underlying the Department’s conclusions, including any determination that relied upon the use of adverse facts available pursuant to sections 776(a) and (b) of the Act.

Partial Recission of Administrative Review

As noted in the Preliminary Results, the Department timely received a no-shipment response from Kangtai. The Department stated its intention to rescind the review with respect to this company. The Department inquired with U.S. Customs and Border Protection (CBP) whether Kangtai had shipped merchandise to the United States during the POR, and CBP provided no evidence to contradict the claims of no shipments made by this company. Accordingly, the Department is rescinding the administrative review on Kangtai, pursuant to 19 CFR 351.213(d)(3).

Final Results of Review

In accordance with 19 CFR 351.221(b)(4)(i), we determine the following net subsidy rates for the 2014 administrative review:

<table>
<thead>
<tr>
<th>Company</th>
<th>Net subsidy rates (percent ad valorem)</th>
</tr>
</thead>
<tbody>
<tr>
<td>Hebei Jiheng Chemical Co., Ltd</td>
<td>21.76</td>
</tr>
<tr>
<td>Heze Huayi Chemical Co., Ltd</td>
<td>1.91</td>
</tr>
</tbody>
</table>

Assessment Rates

The Department intends to issue assessment instructions to CBP 15 days after the date of publication of these final results of review, to liquidate shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after February 4, 2014, through December 31, 2014, at the ad valorem rates listed above.

Cash Deposit Instructions

In accordance with section 751(a)(1) of the Act, the Department intends to instruct CBP to collect cash deposits of estimated countervailing duties in the amounts shown for each of the respective companies listed above. These cash deposit requirements, when imposed, shall remain in effect until further notice.

Administrative Protective Orders

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a sanctionable violation. We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: June 9, 2017.

Ronald K. Lorentzen,
Acting Assistant Secretary for Enforcement and Compliance.
