

requirements of this permit and any amendments thereto unless subsequently terminated or amended by the Secretary of State or the Secretary's delegate.

*Article 9.* (1) The permittee is responsible for acquiring any right-of-way grants or easements, permits, and other authorizations as may become necessary and appropriate.

(2) The permittee shall hold harmless and indemnify the United States from any claimed or adjudged liability arising out of the construction, operation, or maintenance of the facilities.

(3) The permittee shall maintain the U.S. facilities and every part thereof in a condition of good repair for their safe operation, and in compliance with prevailing environmental standards and regulations. The bridge shall be operated as a toll-free facility.

(4) The permittee shall obtain a license from the USIBWC before commencing construction.

*Article 10.* The County of Presidio, Texas shall provide the General Services Administration an adequate Federal inspection facility at the U.S. terminal of the bridge.

*Article 11.* The permittee shall take all necessary measures to prevent or mitigate adverse impacts on or disruption of the human environment in connection with the operation and maintenance of the U.S. facilities, including those mitigation measures set forth in the Final Environmental Assessment dated July 2016 and in the U.S. Department of Transportation Federal Highway Administration Finding of No Significant Impact dated August 2, 2016 and any other measures deemed prudent by the permittee.

*Article 12.* The permittee shall not begin construction until it has been informed that the Government of the United States and the Government of Mexico have exchanged diplomatic notes confirming that both governments authorized the commencement of construction of the new two-lane bridge.

*Article 13.* The permittee shall provide information upon request to the Department of State with regard to the U.S. facilities. Such requests could include, for example, information concerning current conditions or anticipated changes in ownership or control, construction, connection, operation, or maintenance of the U.S. facilities.

*Article 14.* The permittee shall provide written notice to the Department of State at such time as the construction authorized by this permit is begun, at such time as construction is completed, interrupted, or discontinued, and at other times as may

be designated by the Department of State.

*Article 15.* The permittee shall file with the appropriate agencies of the U.S. government such statements or reports under oath with respect to the U.S. facilities, and/or the permittee's activities and operations in connection therewith, as are now, or may hereafter be, required under any laws or regulations of the U.S. government or its agencies.

*Article 16.* Permission to construct the new two-lane bridge shall expire ten years from the date of issuance of this permit in the event that the permittee has not commenced construction of the new two-lane bridge as described in the September 2016 application by that deadline. The remaining provisions of this permit shall remain in full force and effect.

*In witness whereof*, I, Judith G. Garber, Acting Assistant Secretary of State for the Bureau of Oceans and International Environmental and Scientific Affairs, have hereunto set my hand this 30th day of May, 2017 in the City of Washington, District of Columbia.

Judith G. Garber
