Background

Purpose of the Committee: Section 5502 of the Fixing America's Surface Transportation (FAST) Act (Pub. L. 114–94) requires DOT to establish an emergency route working group to determine best practices for expeditious State approval of special permits for vehicles involved in emergency response and recovery. Pursuant to the Federal Advisory Committee Act, FHWA's Office of Freight Management and Operations is announcing a public meeting of the Emergency Route Working Group. These public meeting will be held on:

- Tuesday, June 27, 2017, from 8:30 a.m.–4:30 p.m., and Wednesday, June 28, 2017, from 8:30 a.m.–12:30 p.m.
- Wednesday, July 12, 2017, from 8:30 a.m.–4:30 p.m., and Thursday, July 13, 2017, from 8:30 a.m.–12:30 p.m.
- Wednesday, August 9, 2017, from 8:30 a.m.–4:30 p.m., and Thursday, August 10, 2017, from 8:30 a.m.–12:30 p.m.

These meetings are being conducted to develop recommendations for the DOT Secretary on issues and associated best practices to encourage expeditious State approval of special permits for vehicles involved in emergency response and recovery.

Tentative Agenda: The agenda will include a topical discussion on considerations for best practices; including whether:

- (1) Impediments currently exist that prevent expeditious State approval of special permits for vehicles involved in emergency response and recovery;
- (2) it is possible to pre-identify and establish emergency routes between States through which infrastructure repair materials could be delivered following a natural disaster or emergency;
- (3) a State could pre-designate an emergency route identified under paragraph (2) as a certified emergency route if a motor vehicle that exceeds the otherwise applicable Federal and State truck size and weight limits may safely operate along such route during periods of declared emergency and recovery from such periods; and
- (4) an online map could be created to identify each pre-designated emergency route under paragraph (3), including information on specific vehicle limitations, obligations, and notification requirements along that route.

Public Participation: All sessions of these meetings are open to the public. The Designated Federal Officer and the Chair of the Committee will conduct the meeting to facilitate the orderly conduct of business. If you would like to file a

written statement with the Committee, you may do so either before or after the meeting by submitting an electronic copy of that statement to erwg@dot.gov or the specific docket page at: www.regulations.gov. If you would like to make oral statements regarding any of the items on the agenda, you should contact Crystal Jones at the phone number listed above or email your request to erwg@dot.gov. You must make your request for an oral statement at least 5 business days prior to the meeting. Reasonable provisions will be made to include any such presentation on the agenda. Public comment will be limited to 3 minutes per speaker, per topic.

Minutes: An electronic copy of the minutes from all meetings will be available for download within 60 days of the conclusion of the meeting at: <http://ops.fhwa.dot.gov/fastact/erwg/index.htm>.
