#### **SUPPLEMENTARY INFORMATION:**

##### **I. Abstract**

The Defense Production Act of 1950, as amended, and Executive Order 12919, authorizes the Secretary of Commerce to assess the capabilities of the defense industrial base to support the national defense. They also develop policy alternatives to improve the international competitiveness of specific domestic industries and their abilities to meet defense program needs. The information collected from voluntary surveys will be used to assist small- and medium-sized firms in defense transition and in gaining access to advanced technologies and manufacturing processes available from Federal Laboratories. The goal is to improve regions of the country adversely affected by cutbacks in defense spending and military base closures.
