SUPPLEMENTARY INFORMATION: This notice informs the public that HUD is seeking approval from OMB for the information collection described in Section A.

A. Overview of Information Collection

Title of Information Collection: Housing Opportunities for Persons With AIDS (HOPWA): Grant Application Submission, Recordkeeping, and Reporting.

OMB Approval Number: 2506-0133.

Type of Request: Revision of currently approved collection.

Form Number: HUD-40110-B, HUD-40110-C, HUD-40110-D, SF-424, SF-LLL, and HUD-2991.

Description of the need for the information and proposed use: The current paperwork reduction act approval under OMB Control No. 2506-0133 covers both the HOPWA formula and competitive grant programs. The competitive grant program includes new competitive grants and renewal grants. The information collection requirements pertain to grant application submission

requirements which will be used to rate applications, determine eligibility, and establish grant amounts. HOPWA plans to continue using form HUD-40110-B, HOPWA Competitive Application & Renewal of Permanent Supportive Housing Project Budget Summary, as a component of determining applicant eligibility and establishing grant amounts for competitive grants. Limited technical edits are proposed for form HUD-40110-B. HOPWA competitive and renewal application submission also require submission of the following forms: SF424; SFLLL; and HUD-2991. Form HUD-2991 is currently covered under OMB approval number 2506-0112.

The addition of narratives to address the five HUD standard rating factors will allow HUD to rate application and further determine eligibility and establish grant amounts. Applicants applying for HUD competitive funds are required to respond to these five rating factors in narrative form. These narratives will complement the currently approved budget summary form, and allow HUD to determine if applicants are proposing projects within statutory and regulatory limitations. The five HUD standard rating factors include: Factor 1: Capacity of the Applicant and Relevant Organizational Staff; Factor 2: Need/Extent of the Problem; Factor 3: Soundness of Approach; Factor 4: Leveraging Resources; and Factor 5: Achieving Results and Program Evaluation. New HOPWA competitive applicants will be required to respond to each rating factor within the page limits establish in the grant solicitation. HOPWA renewal applicants will also be required to respond with narratives, but the information will be more limited and focused on continued compliance with the HOPWA program activities originally awarded until their initial grant application.

The reporting and recordkeeping for both HOPWA formula and competitive grant programs are also included in this approval. Technical edits are proposed for forms HUD-40110-C and HUD-40110-D, and are limited to updating outdated references and information currently contained in the forms. Grantees provide annual information on program accomplishments that supports program evaluation and the ability to measure program beneficiary outcomes

related to: Maintaining housing stability; preventing homelessness; and improving access to care and support. Competitive grantees report through HUD-40110-C, the HOPWA Annual Performance Report (APR); Formula grantees report through HUD-40110-D, the HOPWA Consolidated Annual Performance and Evaluation Report (CAPER). Grantees are required to report on the activities undertaken only. HUD systematically reviews and conducts data analysis in order to prepare national and individual grantee performance profiles that are not only used to measure program performance against benchmark goals and objectives, but also to communicate the program's achievement and contributions towards Departmental strategic goals.

Completed technical edits incorporated into forms covered by this proposed information collection, as discussed above.

I. HUD-40110-B, HOPWA Competitive Application & Renewal of Permanent Supportive Housing Project Budget Summary

a. *Cover page description.* The statement, "Selections of applications for funding under the HOPWA Program are based on the rating factors set forth in the SuperNOFA for Housing and Community Development Programs and the criteria established in the annual HOPWA renewal notice for those permanent supportive housing grantee's seeking renewal funding." changed to, "Selections of applications for funding under the HOPWA Program are based on the rating factors set forth in the published Notice of Funding Award (NOFA) and the criteria established in

the annual HOPWA renewal notice for eligible permanent supportive housing grantees seeking renewal funding." This edit reflects a change in Departmental process that now each program office releases a NOFA when funding is available to be awarded.

Renewal grants are awarded for a three-year operating period. Currently, there are 82 eligible renewal grantees. The number of respondents listed for HOPWA renewal applications represents one-third of the renewal grantees, or the estimated number of grantees projected to renew HOPWA grants each year. The number of respondents listed for HOPWA competitive applications represents the number of respondents expected to submit an application if funding becomes available in the next three years. Form HUD-40110-C, the APR is submitted by all renewal and competitive grantees on an annual basis. The number of respondents for the APR include 82 renewal grantees, eight (8) current HOPWA competitive grantees, and nine (9) potential competitive grantees, if funding becomes available.

HOPWA grantees and applicants may be required to respond to more than one piece of information collection. The total number of respondents include: 82 Renewal grantees, eight (8) current HOPWA competitive grantees, 40 potential competitive applicants, and 128 current HOPWA formula grantees. The total of 552 total annual responses captures each unique response from the 258 respondents. All annualized costs reflect staff time spent on tasks in the table. The hourly rate is based on a GS-9 for Rest of United States. 26,713 hours * \$23.85 = \$637,105.05.

A. Overview of Information Collection

Title of Information Collection: HUD Environmental Review Online System (HEROS).

OMB Approval Number: 2506-0202.

Type of Request: Extension of currently approved collection.

Form Number: None.

Description of the need for the information and proposed use: 24 CFR part 58, "Environmental Review Procedures for Entities Assuming HUD Environmental Responsibilities" requires units of general local government receiving HUD assistance to maintain a written environmental review record for all projects receiving HUD funding documenting compliance with the National Environmental Policy Act (NEPA), the regulations of the Council on Environmental Quality, related federal environmental laws, executive orders, and authorities, and Part 58 procedure. Various laws that authorize this procedure are listed in 24 CFR 58.1(b). 24 CFR part 50, "Protection and Enhancement of Environmental Quality," implements procedures for HUD to perform environmental reviews for projects where Part 58 is not permitted by law. Under Part 50, HUD staff complete the environmental review records, but they may use any information supplied by an applicant or contractor, provided HUD independently evaluates the information and is responsible for its accuracy and prepares the environmental finding. The HUD Environmental Review Online System (HEROS) allows users to complete, store, and submit their environmental review records and documents online. HEROS is currently optional for Responsible Entity and other non-HUD users, who may continue to use paper-based environmental review formats; however, HUD staff in many offices are required to use HEROS to complete their environmental reviews.

Respondents (i.e. affected public): The respondents are state and local governments receiving HUD funding who are required to complete environmental reviews.
