The Commission has determined to exercise its authority to extend the review period by up to 90 days.

DATES: *Effective Date:* June 12, 2017.

The public record for this review may be viewed on the Commission's electronic docket (EDIS) at <https://edis.usitc.gov>.

SUPPLEMENTARY INFORMATION:

Background.—On February 6, 2017, the Commission determined that responses to its notice of institution of the subject five-year reviews were such that full reviews should proceed (82 FR 10588, February 14, 2017); accordingly, full reviews are being scheduled pursuant to section 751(c)(5) of the Tariff Act of 1930 (19 U.S.C. 1675(c)(5)). A record of the Commissioners' votes, the Commission's statement on adequacy, and any individual Commissioner's statements are available from the Office of the Secretary and at the Commission's Web site.

Participation in the reviews and public service list.—Persons, including industrial users of the subject merchandise and, if the merchandise is sold at the retail level, representative consumer organizations, wishing to participate in these reviews as parties must file an entry of appearance with the Secretary to the Commission, as provided in section 201.11 of the Commission's rules, by 45 days after publication of this notice. A party that filed a notice of appearance following publication of the Commission's notice of institution of the reviews need not file an additional notice of appearance. The Secretary will maintain a public service list containing the names and addresses of all persons, or their representatives, who are parties to the reviews.

For further information concerning the conduct of these reviews and rules of general application, consult the Commission's Rules of Practice and Procedure, part 201, subparts A and B (19 CFR part 201), and part 207, subparts A, D, E, and F (19 CFR part 207).

Limited disclosure of business proprietary information (BPI) under an administrative protective order (APO) and BPI service list.—Pursuant to section 207.7(a) of the Commission's rules, the Secretary will make BPI gathered in these reviews available to authorized applicants under the APO issued in the reviews, provided that the application is made by 45 days after publication of this notice. Authorized applicants must represent interested parties, as defined by 19 U.S.C. 1677(9), who are parties to the reviews. A party granted access to BPI following publication of the Commission's notice of institution of the reviews need not reapply for such access. A separate service list will be maintained by the Secretary for those parties authorized to receive BPI under the APO.

Staff report.—The prehearing staff report in the reviews will be placed in the nonpublic record on September 22, 2017, and a public version will be

issued thereafter, pursuant to section 207.64 of the Commission's rules.

Hearing.—The Commission will hold a hearing in connection with the reviews beginning at 9:30 a.m. on Thursday, October 12, 2017, at the U.S. International Trade Commission Building. Requests to appear at the hearing should be filed in writing with the Secretary to the Commission on or before October 5, 2017. A nonparty who has testimony that may aid the Commission's deliberations may request permission to present a short statement at the hearing. All parties and nonparties desiring to appear at the hearing and make oral presentations should participate in a prehearing conference to be held on October 11, 2017, at the U.S. International Trade Commission Building, if deemed necessary. Oral testimony and written materials to be submitted at the public hearing are governed by sections 201.6(b)(2), 201.13(f), 207.24, and 207.66 of the Commission's rules. Parties must submit any request to present a portion of their hearing testimony *in camera* no later than 7 business days prior to the date of the hearing.

Written submissions.—Each party to the reviews may submit a prehearing brief to the Commission. Prehearing briefs must conform with the provisions of section 207.65 of the Commission's rules; the deadline for filing is October 3, 2017. Parties may also file written testimony in connection with their presentation at the hearing, as provided in section 207.24 of the Commission's rules, and posthearing briefs, which must conform with the provisions of section 207.67 of the Commission's rules. The deadline for filing posthearing briefs is October 23, 2017. In addition, any person who has not entered an appearance as a party to the reviews may submit a written statement of information pertinent to the subject of the reviews on or before October 23, 2017. On November 17, 2017, the Commission will make available to parties all information on which they have not had an opportunity to comment. Parties may submit final comments on this information on or before November 21, 2017, but such final comments must not contain new factual information and must otherwise comply with section 207.68 of the Commission's rules. All written submissions must conform with the provisions of section 201.8 of the Commission's rules; any submissions that contain BPI must also conform with the requirements of sections 201.6, 207.3, and 207.7 of the Commission's rules. The Commission's Handbook on

E-Filing, available on the Commission's Web site at <https://edis.usitc.gov>, elaborates upon the Commission's rules with respect to electronic filing.

Additional written submissions to the Commission, including requests pursuant to section 201.12 of the Commission's rules, shall not be accepted unless good cause is shown for accepting such submissions, or unless the submission is pursuant to a specific request by a Commissioner or Commission staff.

In accordance with sections 201.16(c) and 207.3 of the Commission's rules, each document filed by a party to the reviews must be served on all other parties to the reviews (as identified by either the public or BPI service list), and a certificate of service must be timely filed. The Secretary will not accept a document for filing without a certificate of service.

The Commission has determined that these reviews are extraordinarily complicated and therefore has determined to exercise its authority to extend the review period by up to 90 days pursuant to 19 U.S.C.1675(c)(5)(B).

Authority: These reviews are being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to section 207.62 of the Commission's rules.

By order of the Commission.

Issued: June 13, 2017.

Secretary to the Commission.

SUPPLEMENTARY INFORMATION: The Commission instituted Inv. No. 337-TA-565 on March 23, 2006, based on a complaint filed by Epson Portland, Inc. of Hillsboro, Oregon, Epson America, Inc. of Long Beach, California, and Seiko Epson Corporation of Nagano-Ken, Japan (collectively, "Epson"). 71 FR 14720 (Mar. 23, 2006). The complaint alleged violations of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337, by reason of infringement of certain claims of U.S. Patent Nos. 5,615,957; 5,622,439; 5,158,377; 5,221,148; 5,156,472; 5,488,401; 6,502,917; 6,550,902; 6,955,422; 7,008,053; and 7,011,397. The Commission's notice of investigation named 24 respondents including Ninestar Technology Company Ltd. of Montclair, California ("Ninestar"). The Office of Unfair Import Investigations participated in the investigation. Several respondents were terminated from the investigation on the basis of settlement agreements or consent orders or were found in default. On October 19, 2007, the Commission issued a general exclusion order ("GEO") and a limited exclusion order. The Commission also issued cease and desist orders ("CDO") directed to several domestic respondents.

The Commission instituted Inv. No. 337-TA-946 on January 27, 2015, based on a complaint filed by Epson. 80 FR 4314-16 (Jan. 27, 2015). That complaint alleged violations of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337, by reason of infringement of certain claims of U.S. Patent Nos. 8,366,233; 8,454,116; 8,794,749; 8,801,163; and 8,882,513. The Commission's notice of investigation named numerous respondents. The Office of Unfair Import Investigations participated in the investigation. All the participating respondents were terminated from the investigation as a result of settlement agreements and/or consent motion stipulations. A number of the named respondents defaulted. On

October 28, 2015, the presiding administrative law judge (ALJ) issued an initial determination granting Epson's motion for summary determination of violation of section 337 by the defaulting respondents. Based on evidence of a pattern of violation and difficulty ascertaining the source of the infringing products, the Commission issued a GEO and CDOs directed to two defaulted domestic respondents on May 26, 2016.

On April 26, 2017, Ninestar, Ninestar Image Tech. Ltd., and Apex Microtech Ltd. (collectively, "Requesters") filed a request for a consolidated advisory opinion proceeding in both investigations pursuant to Commission Rule 210.79 (19 CFR 210.79). Specifically, Requesters seek an advisory opinion that will declare that their refurbished Epson ink cartridges remanufactured using empty Epson ink cartridges collected from the United States are outside the scope of the GEOs and CDOs issued in both investigations. Requesters also ask that the advisory opinion proceeding be conducted in an expedited manner pursuant to Commission Rule 210.2 (19 CFR 210.2), without a formal hearing or discovery. Epson filed a timely response opposing the request. Thereafter, Requesters filed a motion for leave to file a reply to Epson's response.

The Commission has determined that the request complies with the requirements for institution of an advisory opinion proceeding under Commission Rule 210.79. Accordingly, the Commission has determined to institute a consolidated advisory opinion proceeding in both investigations and referred the request to the Chief ALJ to designate a presiding ALJ. Epson, the Requesters, and the Office of Unfair Import Investigations are named as parties to the proceeding. The Commission has also determined to deny Requesters' motion for leave to file a reply.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in part 210 of the Commission's Rules of Practice and Procedure (19 CFR part 210).

By order of the Commission.

Issued June 12, 2017.

Lisa R. Barton,

Secretary to the Commission.
