Title of collection: NSF Surveys to Measure Customer Service Satisfaction.

OMB Number: 3145–0157.

Type of Request: Intent to seek approval to renew an information collection.

Abstract: Proposed Project: On September 11, 1993, President Clinton issued Executive Order 12862, “Setting Customer Service Standards,” which calls for Federal agencies to provide service that matches or exceeds the best service available in the private sector. information to help improve agency operations and services.

Estimate of Burden: The burden on
the public will change according to the
needs of each individual customer.

Respondents: Will vary among
