SUPPLEMENTARY INFORMATION:

Background

In accordance with sections 751(a)(1) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.221(b)(5), on April 17, 2017, the Department published its final results in the countervailing duty administrative review of certain lined paper products from India.¹ On that same day, the Association of American School Paper Suppliers (the petitioner) timely alleged that the Department made ministerial errors in the *Final Results*.² On April 28, 2017, Goldenpalm Manufacturers PVT

Ministerial Errors

Section 751(h) of the Act, and 19 CFR 351.224(f) define a "ministerial error" as an error "in addition, subtraction, or other arithmetic function, clerical error resulting from inaccurate copying, duplication, or the like, and any similar type of unintentional error which the Secretary considers ministerial." The Department finds that the purported errors alleged by the petitioner constitute ministerial errors within the meaning of 19 CFR 351.224(f).⁵ Specifically, we committed certain ministerial errors with regard to the "0.5 Percent Test," as described under 19 CFR 351.524(b)(2), and the benefit calculation performed in connection with import duty exemptions that Goldenpalm received under the Export Promotion of Capital Goods Scheme. For a complete discussion of these alleged errors, see the Response to Ministerial Error Allegations.

In accordance with section 751(h) of the Act and 19 CFR 351.224(e), we are amending the *Final Results*.⁶ Specifically, we are amending the net subsidy rate for Goldenpalm. The

DEPARTMENT OF COMMERCE

National Oceanic and Atmospheric Administration

Submission for OMB Review; Comment Request

The Department of Commerce will submit to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act.

Agency: National Oceanic and Atmospheric Administration (NOAA).
Title: Alaska Pacific Halibut Fisheries: Subsistence.

OMB Control Number: 0648-0512.

Form Number(s): None.

Type of Request: Regular (extension of a currently approved information collection).

Number of Respondents: 7,337.

Average Hours per Response: Permit applications, 10 minutes; Community harvest log, 30 minutes; Ceremonial or educational harvest log, 30 minutes; Appeal for permit denial, 4 hours.

Burden Hours: 1,438.

Needs and Uses: This request is for extension of a currently approved information collection.

This information collection describes special permits issued to participants in the Pacific halibut subsistence fishery in waters off the coast of Alaska and any appeals resulting from denials. The National Marine Fisheries Service (NMFS) designed the permits to work in conjunction with other halibut harvest assessment measures. Subsistence fishing for halibut has occurred for many years among the Alaska Native people and non-Native people. Special permits are initiated in response to the concerns of Native and community groups regarding increased restrictions in International Pacific Halibut Commission Area 2C and include Community Harvest Permits, Ceremonial Permits, and Educational Permits.

A Community Harvest Permit allows the community or Alaska Native tribe to appoint one or more individuals from its respective community or tribe to harvest subsistence halibut from a single vessel under reduced gear and harvest restrictions.

Ceremonial and Educational Permits are available exclusively to Alaska Native tribes. Eligible Alaska Native tribes may appoint only one Ceremonial Permit Coordinator per tribe for Ceremonial Permits or one authorized Instructor per tribe for Educational Permits.

Except for enrolled students fishing under a valid Educational Permit,

special permits require persons fishing under them to also possess a Subsistence Halibut Registration Certificate (SHARC) (see OMB No. 0648-0460) which identifies those persons who are currently eligible for subsistence halibut fishing. Each of the instruments is designed to minimize the reporting burden on subsistence halibut fishermen while retrieving essential information.

Affected Public: Business or other for-profit organizations; state, local or tribal governments.

Frequency: Annually or on occasion.

Respondent's Obligation: Required to obtain or retain benefits.

This information collection request may be viewed at reginfo.gov. Follow the instructions to view Department of Commerce collections currently under review by OMB.

Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to OIRA_Submission@omb.eop.gov or fax to (202) 395-5806.

Dated: June 15, 2017.
