SUPPLEMENTARY INFORMATION:

Background

These preliminary results are made in accordance with section 751(a) of the Act and 19 CFR 351.221(c)(1)(i), we initiated an administrative review of the Order.2 For a complete description of the events that followed the initiation of this review, see the Preliminary Decision Memorandum.3 A list of topics included in the Preliminary Decision Memorandum is provided as an appendix to this notice.

The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). The signed and the electronic versions of the Preliminary Decision Memorandum are identical in content.

Scope of the Order

The product covered by the Order is steel nails from Vietnam. For a complete description of the scope of this administrative review, see the Preliminary Decision Memorandum.

Methodology

The Department is conducting this CVD review in accordance with section 751(a)(1)(A) of the Act. For each of the subsidy programs found countervailable, we determine that there is a subsidy, i.e., a financial contribution by an “authority” that confers a benefit to the recipient, and that the subsidy is specific.4 For a full description of the methodology underlying our preliminary conclusions, including our reliance, in part, on

These cash deposit requirements, when imposed, shall remain in effect until further notice.

For the non-reviewed firms for which we are rescinding this administrative review, the Department intends to instruct CBP 15 days after publication of these preliminary results of review to assess CVDs at rates equal to the rates of cash deposits for estimated countervailing duties required at the time of entry, or withdrawn from warehouse, for consumption, during the period November 3, 2014, through December 31, 2015, in accordance with 19 CFR 351.212(c)(2).
