SOCIAL SECURITY ADMINISTRATION

[Docket No. SSA-2017-0033]

Agency Information Collection Activities: Proposed Request and Comment Request

The Social Security Administration (SSA) publishes a list of information collection packages requiring clearance by the Office of Management and Budget (OMB) in compliance with Public Law 104-13, the Paperwork Reduction Act of 1995, effective October 1, 1995. This notice includes revisions of OMB-approved information collections.

SSA is soliciting comments on the accuracy of the agency's burden estimate; the need for the information; its practical utility; ways to enhance its quality, utility, and clarity; and ways to minimize burden on respondents, including the use of automated collection techniques or other forms of information technology. Mail, email, or fax your comments and

recommendations on the information collection(s) to the OMB Desk Officer and SSA Reports Clearance Officer at the following addresses or fax numbers.

(OMB), Office of Management and Budget, *Attn:* Desk Officer for SSA, *Fax:* 202-395-6974, *Email address:* OIRA_Submission@omb.eop.gov (SSA), Social Security Administration, OLCA, *Attn:* Reports Clearance Director, 3100 West High Rise, 6401 Security Blvd., Baltimore, MD 21235. *Fax:* 410-966-2830. *Email address:* OR.Reports.Clearance@ssa.gov.

Or you may submit your comments online through www.regulations.gov, referencing Docket ID Number [SSA-2017-0033].

I. The information collections below are pending at SSA. SSA will submit them to OMB within 60 days from the date of this notice. To be sure we consider your comments, we must receive them no later than August 28, 2017. Individuals can obtain copies of

the collection instruments by writing to the above email address.
 1. *Public Information Campaign—0960–0544.* Periodically, SSA sends various public information materials, including public service announcements; news releases; and educational tapes, to public broadcasting systems so they can inform

the public about various programs and activities SSA conducts. SSA frequently sends follow-up business reply cards for these public information materials to obtain suggestions for improving them. The respondents are broadcast sources.
Type of Request: Revision of an OMB-approved information collection.

Modality of completion	Number of respondents	Frequency of response	Average burden per response (minutes)	Estimated total annual burden (hours)
Radio Survey	5,000	2	1	167

2. *Medical Permit Parking Application—41 CFR 102–71.20 and 102–74.305—0960–0624.* SSA employees and contractors with a qualifying medical condition who park at SSA-owned and leased facilities may apply to receive a medical parking permit. SSA uses three forms for this program: (1) SSA–3192, the Application and Statement which an individual

completes when first applying for the medical parking space; (2) SSA–3193, the Physician’s Report, which the applicant’s physician completes to verify the medical condition; and (3) SSA–3194, Renewal Certification, which medical parking permit holders complete to verify their continued need for the permit. The respondents are SSA employees and contractors seeking

medical parking permits and their physicians.
Note: Because SSA employees are Federal workers exempt from the requirements of the Paperwork Reduction Act, the burden below is only for SSA contractors and physicians (of both SSA employees and contractors).
Type of Request: Revision of an OMB-approved information collection.

Modality of completion	Number of respondents	Frequency of response	Average burden per response (minutes)	Estimated total annual burden (hours)
SSA–3192	390	1	30	195
SSA–3193	465	1	90	698
SSA–3194	82	1	5	7
Totals	937	900

3. *Electronic Records Express (Third Parties)—20 CFR 404.1700–404.1715—0960–0767.* Electronic Records Express (ERE) is an online system which enables medical providers and various third party representatives to download and submit disability claimant information electronically to SSA as part of the disability application process. To ensure

only authorized people access ERE, SSA requires third parties to complete a unique registration process if they wish to use this system. This information collection request (ICR) includes the third-party registration process; the burden for submitting evidence to SSA is part of other, various ICRs. The respondents are third party

representatives of disability applicants or recipients who want to use ERE to electronically access clients’ disability files online and submit information to SSA.
Type of Request: Revision of an OMB-approved information collection.

Modality of completion	Number of respondents	Frequency of response	Average burden per response (minutes)	Estimated total annual burden (hours)
ERE—Third Parties	10,413	319	1	55,362

4. *Screen Pop—20 CFR 401.45—0960–0790.* Section 205(a) of the Social Security Act (Act) requires SSA to verify the identity of individuals who request a record or information pertaining to themselves, and to establish procedures for disclosing personal information. SSA established Screen Pop, an automated telephone process, to speed up verification for such individuals. Accessing Screen Pop, callers enter their

Social Security number (SSN) using their telephone keypad or speech technology prior to speaking with a National 800 Number Network (N8NN) agent. The automated Screen Pop application collects the SSN and routes it to the “Start New Call” Customer Help and Information (CHIP) screen. Functionality for the Screen Pop application ends once the SSN connects to the CHIP screen and the SSN routes

to the agent’s screen. When the call connects to the N8NN agent, the agent can use the SSN to access the caller’s record as needed. The respondents for this collection are individuals who contact SSA’s N8NN to speak with an agent.
Type of Request: Revision of an OMB-approved information collection.

Modality of completion	Number of respondents	Frequency of response	Average burden per response (minutes)	Estimated total annual burden (hours)
Screen Pop	53,394,811	1	1	889,914

5. *Incoming and Outgoing Intergovernmental Personnel Act Assignment Agreement—5 CFR 334—0960–0792.* The Intergovernmental Personnel Act (IPA) mobility program provides for the temporary assignment of civilian personnel between the Federal Government and State and local governments; colleges and universities; Indian tribal governments; Federally-funded research and development centers; and other eligible organizations. The Office of Personnel Management (OPM) created a generic form, the OF–69, for agencies to use as a template

when collecting information for the IPA assignment. The OF–69 collects specific information about the agreement including: (1) The enrolled employee’s name, Social Security number, job title, salary, classification, and address; (2) the type of assignment; (3) the reimbursement arrangement; and (4) an explanation as to how the assignment benefits both SSA and the non-federal organization involved in the exchange. OPM directs agencies to use their own forms for recording these agreements. Accordingly, SSA modified the OF–69 to meet our needs, creating the SSA–187

for incoming employees and the SSA–188 for outgoing employees. SSA collects information on the SSA–187 and SSA–188 to document the IPA assignment and to act as an agreement between the agencies. Respondents are personnel from State and local governments; colleges and universities; Indian tribal governments; Federally-funded research and development centers; and other eligible organizations who participate in the IPA exchange with SSA.

Type of Request: Revision of an OMB-approved information collection.

Modality of completion	Number of respondents	Frequency of response	Average burden per response (minutes)	Estimated total annual burden (hours)
Non-Federal employee	10	1	30	5
Non-Federal employer signers	20	1	5	2

II. SSA submitted the information collections below to OMB for clearance. Your comments regarding these information collections would be most useful if OMB and SSA receive them 30 days from the date of this publication. To be sure we consider your comments, we must receive them no later than July 27, 2017. Individuals can obtain copies of the OMB clearance packages by writing to

OR.Reports.Clearance@ssa.gov.

1. Disability Report-Appeal—20 CFR 404.1512, 416.912, 404.916(c), 416.1416(c), 422.140, 404.1713, 416.1513, 404.1740(b)(4), 416.1540(b)(4), and 405 Subpart C—0960–0144. SSA requires disability applicants who wish to appeal an

unfavorable disability determination to complete Form SSA–3441–BK; the associated Electronic Disability Collect System (EDCS) interview; or the Internet application, i3441. This allows claimants to disclose any changes to their disability, or resources, which might influence SSA’s unfavorable determination. We may use the information to: (1) Reconsider and review an initial disability determination; (2) review a continuing disability; and (3) evaluate a request for a hearing. This information assists the State Disability Determination Services (DDS) and administrative law judges (ALJ) in preparing for the appeals and hearings, and in issuing a determination or decision on an individual’s

entitlement (initial or continuing) to disability benefits. In addition, the information we collect on the SSA–3441–BK, or related modalities, facilitates SSA’s collection of medical information to support the applicant’s request for reconsideration; request for benefits cessation appeal; and request for a hearing before an ALJ. Respondents are individuals who appeal denial, reduction, or cessation of Social Security disability benefits and Supplemental Security Income (SSI) payments; individuals who wish to request a hearing before an ALJ; or their representatives.

Type of Request: Revision of an OMB-approved information collection.

Modality of completion	Number of respondents	Frequency of response	Average burden per response (minutes)	Estimated total annual burden (hours)

3. *Authorization to Disclose Information to SSA—20 CFR 404.1512 and 416.912, 45 CFR 160 and 164—*

0960-0623. Sections 223(d)(5)(A) and 1614(a)(3)(H)(i) of the Act require claimants to provide medical and other evidence the Commissioner of Social Security may require to prove they are disabled. SSA must obtain sufficient evidence to make eligibility determinations for Title II and Title XVI payments. Therefore, the applicant must

authorize release of information from various sources to SSA. The applicants use Form SSA-827, or the Internet counterpart, i827, to provide consent for the release of medical records, education records, and other information related to their ability to perform tasks. Once the applicant completes Form SSA-827, or the i827,

SSA or the State DDS sends the form to the designated source(s) to obtain pertinent records. The respondents are applicants for Title II and Title XVI disability payments.

SURFACE TRANSPORTATION BOARD

[Docket No. AB 295 (Sub-No. 9X)]

The Indiana Rail Road Company—Discontinuance of Trackage Rights Exemption—in Lawrence, Orange, Washington, Clark and Floyd Counties, Ind.

The Indiana Rail Road Company (INRD) ¹ has filed a verified notice of exemption under 49 CFR pt. 1152 subpart F—*Exempt Abandonments and Discontinuances of Service* to discontinue approximately 71.9 miles of overhead trackage rights over a line of railroad (the Bedford-New Albany line) owned by CSXT, between milepost Q-245.8 in Bedford and milepost Q-317.7 in New Albany, in Lawrence, Orange, Washington, Clark and Floyd Counties, Ind. (the Bedford trackage rights),²

¹ INRD is indirectly controlled by the CSX Transportation, Inc. (CSXT), but operates as an independent Class II rail carrier. See *CSX Corp. & CSX Transp.—Control—Ind. R.R.*, FD 32892 (STB served Nov. 7, 1996).

² The Board approved INRD's acquisition of the trackage rights in *Ind. R.R.—Acquis.—Soo Line R.R.*, FD 34783 (STB served Apr. 11, 2006). In 2010, INRD abandoned its connecting line west of Bedford. See *Ind. R.R.—Aban. Exemption—in Martin & Lawrence Cts., Ind.*, AB 295 (Sub-No. 7) (STB served Mar. 26, 2010). According to INRD, the Bedford trackage rights have not been used since that time and are isolated from the main part of INRD's rail system. At the time of INRD's abandonment, CSXT obtained authority to discontinue service over most of the Bedford-New Albany line. See *CXS Transp.—Discontinuance of Serv. Exemption—in Clark, Floyd, Orange & Washington Cts., Ind.*, AB 55 (Sub-No. 698X) (STB served Apr. 7, 2010). CSXT had previously obtained

pursuant to a letter agreement dated February 24, 2017, between INRD and CSXT. The Bedford trackage rights traverse United States Postal Service Zip Codes 47421, 47446, 47452, 47108, 47167, 47165, 47106, 47143, 47172 and 47150.

INRD has certified that (1) no local traffic has moved over the Bedford trackage for at least two years; (2) any overhead traffic can be and has been rerouted over other lines; (3) no formal complaint filed by a user of rail service on the Bedford trackage (or by a state or local government entity acting on behalf of such user) regarding cessation of service on the Bedford trackage is pending either with the Board or with any U.S. District Court or has been decided in favor of complainant within the two-year period; and (4) the requirements at 49 CFR 1105.12 (newspaper publication), and 49 CFR 1152.50(d)(1) (notice to governmental agencies) have been met.

As a condition to this exemption, any employee adversely affected by the discontinuance shall be protected under *Oregon Short Line Railroad—Abandonment Portion Goshen Branch Between Firth & Ammon, in Bingham & Bonneville Counties, Idaho*, 360 I.C.C. 91 (1979). To address whether this condition adequately protects affected employees, a petition for partial revocation under 49 U.S.C. 10502(d) must be filed.

Provided no formal expression of intent to file an offer of financial assistance (OFA) to subsidize continued rail service has been received, this

discontinuance and abandonment authority for the northern 6.7 miles of the Bedford-New Albany line nearest Bedford with the effectiveness as to abandonment subject to Soo's (now INRD's) discontinuing its trackage rights. See *CSX Transp.—Aban. & Discontinuance Exemption—in Lawrence Cty., Ind.*, AB 55 (Sub-No. 495X) (ICC served Jan. 27, 1995).

exemption will be effective on July 27, 2017, unless stayed pending reconsideration. Petitions to stay that do not involve environmental issues and formal expressions of intent to file an OFA to subsidize continued rail service under 49 CFR 1152.27(c)(2) ³ must be filed by July 7, 2017.⁴ Petitions to reopen must be filed by July 14, 2017, with the Surface Transportation Board, 395 E Street SW., Washington, DC 20423-0001.

A copy of any petition filed with the Board should be sent to INRD's representative: Thomas J. Litwiler, Fletcher & Sippel LLC, 29 North Wacker Drive, Suite 920, Chicago, IL 60606.

If the verified notice contains false or misleading information, the exemption is void ab initio.

Board decisions and notices are available on our Web site at "WWW.STB.GOV."

Decided: June 22, 2017.

By the Board, Rachel D. Campbell, Director, Office of Proceedings.

Kenyatta Clay,
Clearance Clerk.

BILLING CODE 4915-01-P

³ Each OFA must be accompanied by the filing fee, which currently is set at \$1,700. See 49 CFR 1002.2(f)(25).

⁴ Because this is a discontinue proceeding and not an abandonment, interim trail use/rail banking and public use conditions are not appropriate. Because there will be an environmental review during any further abandonment of the Bedford-New Albany line, this discontinuance does not require an environmental review.
