

stationary oil/gas drilling rigs and related subassemblies within Site 1 of FTZ 265. The current request would add a foreign status material/component to the scope of authority. Pursuant to 15 CFR 400.14(b), additional FTZ authority would be limited to the specific foreign-status material/component described in the submitted notification (as described below) and subsequently authorized by the FTZ Board.

Production under FTZ procedures could exempt Bauer from customs duty payments on the foreign-status material/component used in export production. On its domestic sales, for the foreign-status material/component noted below Bauer would be able to choose the duty rates during customs entry procedures that apply to the company's finished products previously approved by the FTZ Board (duty rate ranges from duty-free to 5%). Customs duties also could possibly be deferred or reduced on foreign-status production equipment.

The material/component sourced from abroad is: Hydraulic roughneck (duty-free).

Public comment is invited from interested parties. Submissions shall be addressed to the Board's Executive Secretary at the address below. The closing period for their receipt is August 14, 2017.

A copy of the notification will be available for public inspection at the Office of the Executive Secretary, Foreign-Trade Zones Board, Room 21013, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230-0002, and in the "Reading Room" section of the Board's Web site, which is accessible via [www.trade.gov/ftz](http://www.trade.gov/ftz).
