

operational perspective as existing contracts. Similarly, ICC will use its existing settlement procedures and account structures for the new contracts, consistent with the requirements of Rule 17Ad-22(d)(5), (12) and (15)<sup>9</sup> as to the finality and accuracy of its daily settlement process and avoidance of the risk to ICC of settlement failures. ICC determined to accept the STASC, STASFC, and STEMC Contracts for clearing in accordance with its governance process, which included review of the contracts and related risk management considerations by the ICC Risk Committee and approval by its Board. These governance arrangements are consistent with the requirements of Rule 17Ad-22(d)(8).<sup>10</sup> Finally, ICC will apply its existing default management policies and procedures for the STASC, STASFC, and STEMC Contracts. ICC believes that these procedures allow for it to take timely action to contain losses and liquidity pressures and to continue meeting its obligations in the event of clearing member insolvencies or defaults in respect of the additional single names, in accordance with Rule 17Ad-22(d)(11).<sup>11</sup>

#### *B. Clearing Agency's Statement on Burden on Competition*

The STASC, STASFC, and STEMC Contracts will be available to all ICC participants for clearing. The clearing of these STASC, STASFC, and STEMC Contracts by ICC does not preclude the offering of the STASC, STASFC, and STEMC Contracts for clearing by other market participants. Accordingly, ICC does not believe that clearance of the STASC, STASFC, and STEMC Contracts will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act.

#### *C. Clearing Agency's Statement on Comments on the Proposed Rule Received From Members, Participants or Others*

Written comments relating to the proposed rule change have not been solicited or received. ICC will notify the Commission of any written comments received by ICC.
