*OMB Control Number:* 0596-0223.

*Summary of Collection:* Federal Excess Personal Property (FEPP) and Firefighter Property (FFP) programs provide state (including U.S. territories) forestry agencies the opportunity to obtain excess Department of Defense and other Federal agencies equipment and supplies to be used in firefighting and emergency services. The authority to provide excess supplies to state agencies comes from Federal Property and Administration Services Act of 1949, as amended, 40 U.S.C., Sec 202. Each state designates an Accountable Officer who is responsible for the integrity of the program within their respective state and completing the necessary documentation for each program in which the state participates. For this reason FEPP and FFP collects the state forestry agency contact information and the information of the Accountable Officer. Cooperative Agreement forms FS-3100-10 and/or FS-3100-11 are used to collect the required information from the participating state agency that outlines the requirements and rules for the cooperation.
