

Abstract: Section 8(f) of the Shipping Act of 1984, 46 U.S.C. 40501(f), provides that a marine terminal operator (MTO) may make available to the public a schedule of its rates, regulations, and practices, including limitations of liability for cargo loss or damage, pertaining to receiving, delivering, handling, or storing property at its marine terminal. The Commission's rules governing MTO schedules are set forth at 46 CFR part 525.

Current Actions: There are no changes to this information collection, and it is being submitted for extension purposes only.

Type of Review: Extension.

Needs and Uses: The Commission uses information obtained from Form FMC-1 to determine the organization name, organization number, home office address, name and telephone number of the firm's representatives and the location of MTO schedules of rates, regulations and practices, and publisher, should the MTOs determine to make their schedules available to the public, as set forth in section 8(f) of the Shipping Act.

Frequency: This information is collected prior to an MTO's commencement of its marine terminal operations.

Type of Respondents: Persons operating as MTOs.

Number of Annual Respondents: The Commission estimates the respondent universe at 8, of which 5 opt to make their schedules available to the public.

Estimated Time per Response: The time per response for completing Form FMC-1 averages 0.5 person hours, and approximately 5 person-hours for related MTO schedules.

Total Annual Burden: The Commission estimates the total person-hour burden at 44 person-hours.

Title: 46 CFR part 520—Carrier Automated Tariffs and Related Form FMC-1.

OMB Approval Number: 3072-0064 (Expires September 30, 2017).

Abstract: Except with respect to certain specified commodities, section 8(a) of the Shipping Act of 1984, 46 U.S.C. 40501(a)–(c), requires that each common carrier and conference shall keep open to public inspection, in an automated tariff system, tariffs showing its rates, charges, classifications, rules, and practices between all ports and points on its own route and on any through transportation route that has been established. In addition, individual carriers or agreements among carriers are required to make available in tariff format certain enumerated essential terms of their service contracts. 46 U.S.C. 40502. The Commission is

responsible for reviewing the accessibility and accuracy of automated tariff systems, in accordance with its regulations set forth at 46 CFR part 520.

Current Actions: There are no changes to this information collection, and it is being submitted for extension purposes only.

Type of Review: Extension.

Needs and Uses: The Commission uses information obtained from Form FMC-1 to ascertain the location of common carrier and conference tariff publications, and to access their provisions regarding rules, rates, charges and practices.

Frequency: This information is collected when common carriers or conferences publish tariffs.

Type of Respondents: Persons desiring to operate as common carriers or conferences.

Number of Annual Respondents: The Commission estimates there are 5,365 Carrier Automated Tariffs. It is estimated that the number of annual respondents will be 1,436.

Estimated Time per Response: The time per response ranges from 0.1 to 2 person-hours for reporting and recordkeeping requirements contained in the rules, and 0.5 person-hours for completing Form FMC-1.

Total Annual Burden: The Commission estimates the total person-hour burden at 2,408 person-hours.

Rachel Dickon,

Assistant Secretary.
