Notice of Opportunity for Public Comment on Disposal of 4.9 Acres of Airport Land at Southbridge Municipal Airport in Southbridge, MA

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Request for public comments.

SUMMARY: Notice is being given that the FAA is considering a request from the Town of Southbridge, MA, to dispose of a 4.9 acre parcel of airport land. The parcel, located on the southwest side of the airport, is segregated by Barefoot Road and not contiguous with the main airport parcel.

The 4.9 acre parcel is located adjacent to the Town owned landfill and is not suited for aeronautical use as a wetland and Barefoot Road lie between the airport proper and the 4.9 acre parcel. The disposal of this property will have

no effect on aviation land or future development opportunities for the airport. An aviation easement will be placed on the land to protect the airport's airspace.

The property has a fair market value of \$130,000. The Town installed a new sewer line and pump station to serve the airport terminal building and restaurant at a value of \$844,000 and as such, the in-kind services substantiates the fair market value of the land to be transferred to the Town.

SUPPLEMENTARY INFORMATION:

I. Overview: Michelin North America, Inc. (MNA), has determined that certain BFGoodrich gForce Rival S summer performance tires do not fully comply with paragraph S5.2(d) of FMVSS No. 139, *New Pneumatic Radial Tires for Light Vehicles*. MNA filed a noncompliance report dated April 17, 2017, pursuant to 49 CFR part 573, *Defect and Noncompliance Responsibility and Reports*. MNA also petitioned NHTSA on May 5, 2017, pursuant to 49 U.S.C. 30118(d) and 30120(h) and 49 CFR part 556, for an exemption from the notification and remedy requirements of 49 U.S.C. Chapter 301 on the basis that this noncompliance is inconsequential as it relates to motor vehicle safety.

This notice of receipt of MNA's petition is published under 49 U.S.C. 30118 and 30120 and does not represent any agency decision or other exercise of judgment concerning the merits of the petition.

II. Tires Involved: Approximately 370 BFGoodrich gForce Rival S summer performance tires, size P335/30ZR18 95W LL, manufactured between March 2, 2017, and March 30, 2017, are potentially involved. Specifically, these tires are marketed to sports car owners who compete in track racing, autocross, and other such activities and events.

III. Noncompliance: MNA explains that the noncompliance is that the tire size designation markings on the sidewalls of the subject tires do not contain the tire type code designator symbol from The Tire and Rim Association yearbook, as required by paragraph S5.2(d) of FMVSS No. 139. Specially, the subject tire size reads "335/30ZR18 95W LL" but should read "P335/30ZR18 95W LL."

IV. Rule Text: Paragraph S5.2(d) of FMVSS No. 139 states, in pertinent part:

S5.2 *Performance requirements.* Each tire shall conform to each of the following:
