ii. Regulations, guidance, or information collections imposing costs which are no longer enforced as written or which are ineffective.
iii. Regulations, guidance, or information collections imposing costs tied to reporting or recordkeeping requirements that impose burdens that exceed benefits. Explain why the reporting or recordkeeping requirement is overly burdensome, unnecessary, or how it could be modified.

b. Identify regulations, guidance, and information collections that the Committee believes have led to the elimination of jobs or inhibits job creation within a particular industry.

3. All regulations, guidance, and information collections, or parts thereof, recommended by the Committee should be described in sufficient detail (by section, paragraph, sentence, clause, etc.) so that it can readily be identified. Data (quantitative or qualitative) should be provided to support and illustrate the impact, cost, or burden, as applicable, for each recommendation. If the data is not readily available, the Committee should include information as to how such information can be obtained either by the Committee or directly by the Coast Guard.

BILLING CODE 9110–04–P

ENVIRONMENTAL PROTECTION AGENCY

40 CFR Part 52
Air Plan Approval; NC; Open Burning and Miscellaneous Revisions

AGENCY: Environmental Protection Agency (EPA).

ACTION: Proposed rule.

SUMMARY: The Environmental Protection Agency (EPA) is proposing to approve revisions to the North Carolina State Implementation Plan (SIP) submitted by the State of North Carolina, through the North Carolina Department of Environmental Quality (formerly the North Carolina Department of Environment and Natural Resources), Division of Air Quality, on October 14, 2004, March 24, 2006, and
January 31, 2008. The proposed revisions pertain to changes to several regulations and the addition of a new section to the Exclusionary Rules of the North Carolina SIP. These revisions are part of North Carolina’s strategy to meet and maintain the national ambient air quality standards. This action is being taken pursuant to the Clean Air Act and its implementing regulations.

DATES: Written comments must be received on or before August 17, 2017.

EPA may publish any comment received to its public docket. Do not submit electronically any information you consider to be Confidential Business Information (CBI) or other information whose disclosure is restricted by statute. Multimedia submissions (audio, video, etc.) must be accompanied by a written comment. The written comment is considered the official comment and should include discussion of all points you wish to make. EPA will generally not consider comments or comment contents located outside of the primary submission (i.e. on the web, cloud, or other file sharing system). For additional submission methods, the full EPA public comment policy, information about CBI or multimedia submissions, and general guidance on making effective comments, please visit http://www2.epa.gov/dockets/commenting-eapa-dockets.

FOR FURTHER INFORMATION CONTACT:

Sean Lakeman or Nacosta C. Ward, Air Regulatory Management Section, Air Planning and Implementation Branch, Air, Pesticides and Toxics Management Division, U.S. Environmental Protection Agency, Region 4, 61 Forsyth Street SW., Atlanta, Georgia 30303–8960. Mr. Lakeman can be reached via telephone at (404) 562–9043 or via electronic mail at lakeman.sean@epa.gov. Ms. Ward can be reached via telephone at (404) 562–9140, or via electronic mail at ward.nacosta@epa.gov.

SUPPLEMENTARY INFORMATION: In the Final Rules section of this issue of the Federal Register, EPA is approving the State’s implementation plan revision as a direct final rule without prior proposal because the Agency views this as a noncontroversial submittal and anticipates no adverse comments. A detailed rationale for the approval is set forth in the rule. If no adverse comments are received in response to this rule, no further activity is contemplated. If EPA receives relevant adverse comments, the direct final rule will be withdrawn and all public comments received will be addressed in a subsequent final rule based on this proposed rule. EPA will not institute a second comment period on this document. Any parties interested in commenting on this document should do so at this time.

Dated: June 29, 2017.

V. Anne Heard, Acting Regional Administrator, Region 4.
