Rescinded items are shown in context of their schedules in the old-to-new crosswalk.

How do I cite new GRS items?

When you send records to an FRC for storage, you should cite the records’ legal authority—the “DAA” number—in the “Disposition Authority” column of the table. For informational purposes, please include schedule and item number. For example, “DAA—GRS—2013–0001–0004 (GRS 4.3, item 020).”

Do I have to take any action to implement these GRS changes?

NARA regulations (36 CFR 1226.12(a)) require agencies to disseminate GRS changes within six months of receipt.

Per 36 CFR 1227.12(a)(1), you must follow GRS dispositions that state they must be followed without exception.

Per 36 CFR 1227.12(a)(3), if you have an existing schedule that differs from a new GRS item that does not require being followed without exception, and you wish to continue using your agency-specific authority rather than the GRS authority, you must notify NARA within 120 days of the date of this transmittal.

If you do not have an already existing agency-specific authority but wish to apply a retention period that differs from that specified in the GRS, you must submit a records schedule to NARA for approval via the Electronic Records Archives.

How do I get copies of the new GRS?

You can download the complete current GRS, in PDF format, from NARA’s Web site at http://www.archives.gov/records-mgmt/GRS.html.

Whom do I contact for further information?

Writing and maintaining the GRS is the responsibility of the GRS Team. You may contact the team with general questions about the GRS at GRS_Team@nara.gov. This team is part of Records Management Services in the National Records Management Program of the Office of the Chief Records Officer at NARA.

Your agency’s records officer may contact the NARA appraiser or records analyst with whom your agency normally works for support in carrying out this transmittal. A list of the appraisal and scheduling work group and regional contacts is on the NARA Web site at http://www.archives.gov/records-mgmt/appraisal/index.html.
