The California Department of Transportation (Caltrans) assumed, environmental responsibilities for this project pursuant to 23 U.S.C. 327. Notice is hereby given that the Caltrans has taken final agency actions subject to 23 U.S.C. 139(f)(1) by issuing licenses, permits, and approvals for the following highway project in the State of California: State Route (SR) 242/Clayton Road Ramps Project: Caltrans proposes to modify the existing partial interchanges at SR 242 at Clayton Road and Concord Avenue, in the City of Concord. The SR 242/Clayton Road interchange would be reconfigured from a partial interchange to provide new northbound and southbound SR 242 on- and off-ramps. Proposed local roadway improvements include a combination of additional travel lanes and the extension of left-turn pockets on Willow Pass Road, Concord Avenue, Franquette Avenue, Clayton Road, Market Street, and Commerce Avenue, in the City of Concord. The project will relieve local street congestion. The actions by the Federal agencies, and the laws under which such actions were taken, are described in the Final Initial Study with Negative Declaration/Environmental Assessment with Finding of No Significant Impact (IS–ND/EA–FONSI) for the project, approved on December 27, 2016, in the Caltrans Finding of No Significant Impact (FONSI) also issued on December 27, 2016, and in other documents in the Caltrans project records. The IS–ND/EA–FONSI and other project records are available by contacting Caltrans at the addresses provided above. The Caltrans IS–ND/EA–FONSI can be viewed and downloaded from the project Web site at http://www.dot.ca.gov/dist4/envdocs.htm, or viewed at public libraries in the project area.

This notice applies to all Federal agency decisions as of the issuance date of this notice and all laws under which such actions were taken, including but not limited to:

[Title 23, United States Code, Section 502(a)(5) requires that Federal surface transportation research and development activities address the needs of stakeholders, including “States, metropolitan planning organizations, local governments, the private sector, researchers, research sponsors, and other affected parties, including public interest groups.” As part of its effort to ensure that Federal research, development and technology (RD&T) activities are addressing the most critical national challenges, the Federal Highway Administration (FHWA) is developing the RD&T Agenda Web site. This Web site will communicate FHWA’s RD&T goals, objectives and strategies to its stakeholders and highlight notable initiatives or projects that illustrate FHWA’s RD&T approach. The Web site will include an electronic mechanism for stakeholders to provide feedback on the overall RD&T Agenda. FHWA’s approach to addressing national transportation challenges, and potential opportunities for FHWA to collaborate with stakeholders to address them.
