

## Revocation of the Order

Pursuant to section 735(c)(2) of the Act, “the investigation shall be terminated upon publication of that negative determination” and the Department shall “terminate the suspension of liquidation” and “release any bond or other security and refund any cash deposit.”<sup>10</sup> As a result of this amended final determination, the Department is hereby revoking the antidumping duty order and releasing any bonds or other security and refunding cash deposits with respect to Tension Steel.

Pursuant to the Federal Circuit’s decision in *Diamond Sawblades*<sup>11</sup> and the CIT’s decision affirming the Department’s remand redetermination, the Department is revoking the antidumping duty order on OCTG from Taiwan because the revised weighted-average dumping margin for Tension Steel is now zero, and because the Department also calculated a zero margin for the only other mandatory respondent in the underlying investigation. As a result of this revocation, the Department will not initiate any new administrative reviews of this antidumping duty Order.<sup>12</sup>

Although section 735(c)(2)(A) of the Act instructs the Department to terminate suspension of liquidation, here, because suspension of liquidation must continue during the pendency of the appeals process (in accordance with *Timken* and as discussed above), we will continue to instruct CBP at this time to (A) continue suspension at a cash deposit rate of zero percent until instructed otherwise; and (B) release any bond or other security, and refund any cash deposit made pursuant to *OCTG From Taiwan: Antidumping Duty Order*.<sup>13</sup> In the event that the court’s ruling in the *Final Remand Order* is not appealed, or appealed and upheld by the CAFC, the Department will instruct CBP to terminate the suspension of

liquidation and to liquidate those entries of subject merchandise without regard to antidumping duties. Notwithstanding the continued suspension described above, the antidumping duty order on OCTG from Taiwan is hereby revoked, also described above.

## Notification to Interested Parties

This notice serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Failure to comply with the regulations and the terms of the APO is a violation subject to sanction.

### Certain Oil Country Tubular Goods From India: Notice of Correction to Amended Final Determination and Amendment of Antidumping Duty Order

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

#### FOR FURTHER INFORMATION CONTACT:

Andrew Huston, AD/CVD Operations, Office VII, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-4261.

#### SUPPLEMENTARY INFORMATION:

#### Background

In the *Final Determination*, the Department determined that GVN Fuels Limited, Maharashtra Seamless Limited, and Jindal Pipes Limited are affiliated, pursuant to section 771(33)(F) of the Tariff Act of 1930, as amended (the Act),

and should be collapsed and treated as a single entity, pursuant to 19 CFR 351.401(f).<sup>1</sup>

On March 16, 2017, the United States Court of International Trade (CIT) entered final judgment sustaining the final results of remand redetermination pursuant to court order by the Department of Commerce (Department) pertaining to the less-than-fair-value investigation of certain oil country tubular goods (OCTG) from India.<sup>2</sup> On April 12, 2017, the Department published the *Amended Final Determination* on OCTG from India.<sup>3</sup> On June 20, 2017, the Department published the *Amended Order*.<sup>4</sup> In both the *Amended Final Determination* and *Amended Order*, the Department inadvertently omitted a statement to explain that, consistent with the *Final Determination*,<sup>5</sup> GVN Fuels Limited, Maharashtra Seamless Limited, and Jindal Pipes Limited should be treated as a single entity.

#### Correction

We are correcting the *Amended Final Determination* and *Amended Order* to clarify that GVN Fuels Limited, Maharashtra Seamless Limited, and Jindal Pipes Limited should be treated as a single entity (collectively, GVN or the GVN single entity). The sections of the *Amended Final Determination* and *Amended Order* explaining the suspension of liquidation and listing the weighted-average antidumping duty margins and cash deposit rates should have appeared as provided below.

#### Correction to the Amended Final Determination

#### Amended Final Determination

<sup>12</sup> Currently there are no unfinished or ongoing administrative reviews of this order. Further, we rescinded the 2015/2016 administrative review on March 1, 2017, and this was the last administrative review completed in this proceeding. GVN Fuels Limited, Maharashtra Seamless Limited and Jindal Pipes

Limited)<sup>6</sup> and Jindal SAW, Limited. The revised weighted-average dumping

margins for the period July 1, 2012, through June 30, 2013, are as follows:

Exporter or producer	Estimated weighted-average dumping margins (percent)	Cash deposit rate percent (percent) <sup>7</sup>
GVN Fuels Limited, Maharashtra Seamless Limited and Jindal Pipes Limited (collectively, GVN or GVN single entity) .....	* 1.07	0.00
Jindal SAW, Limited .....	11.24	0.00
All Others .....	5.79	0.00

\*(de minimis).

### Correction to the Amended Order

#### Amendment of the Order on OCTG From India

The period to appeal the Court of International Trade's decision has passed, and a final and conclusive court decision has been reached in this case. Therefore, the Department is amending the antidumping duty order<sup>8</sup> on OCTG from India to exclude from the order subject merchandise produced and exported by the GVN single entity (comprised of GVN Fuels Limited, Maharashtra Seamless Limited and Jindal Pipes Limited)<sup>9</sup> because the revised weighted-average dumping margin for the GVN single entity is *de minimis*. This exclusion does not apply to merchandise produced by the GVN single entity and exported by any other company (outside the GVN single entity) or merchandise produced by any other company and exported by the GVN single entity. Resellers of merchandise produced by the GVN single entity, are also not entitled to this exclusion.

#### Continuation of Suspension of Liquidation, In Part

In accordance with section 735(c)(1)(B) of the Act, the Department has instructed CBP to continue to suspend liquidation on all relevant entries of OCTG from India.<sup>10</sup> These instructions suspending liquidation will remain in effect until further notice. However, because the estimated weighted-average dumping margin for merchandise produced and exported by the GVN single entity is *de minimis*, the Department is directing U.S. Customs and Border Protection to liquidate all

entries produced and exported by the GVN single entity currently suspended without regard to antidumping duties, and to not to suspend liquidation of entries of subject merchandise where the GVN single entity acted as both the producer and exporter. Entries of subject merchandise exported to the United States by any other producer and exporter combination involving the GVN single entity are not entitled to this exclusion from suspension of liquidation and are subject to the cash deposit rate for the all-others entity.

This correction to the *Amended Final Determination* and *Amended Order* is issued and published in accordance with sections 516A(e)(1), 735(d), 736(a), and 777(i) of the Act of the Act.

Dated: July 24, 2017.
