

previous Federal coal leasing actions in the Wyoming Powder River Basin (PRB) include: The need for resolution of conflicts between existing and proposed oil and gas development and coal mining on the tracts proposed for coal leasing; potential impacts to big-game herds and hunting; potential impacts to sage grouse; potential impacts to listed threatened and endangered species; potential health impacts related to blasting operations conducted by the mines to remove overburden and coal; the need to consider the cumulative impacts of coal leasing decisions combined with other existing and proposed development in the Wyoming PRB; potential impacts to climate change through greenhouse gas emissions; and potential site-specific and cumulative impacts on air and water quality.

Public response is important, and will be considered in the EIS process. At the scoping meeting, the public is invited to submit comments and resource information, and identify issues or concerns to be considered in the NEPA analysis for the coal leasing process.

The BLM can best use public input if written comments and resource information are submitted by the end of the 60-day scoping period. Please note that comments and information submitted regarding this project, including names, electronic mail addresses and street addresses of the respondents, will be available for public review and disclosure at the BLM High Plains District Office, and may be published in the West Antelope 3 Coal Lease by Application EIS.

Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

## INTERNATIONAL TRADE COMMISSION

[Investigation No. 731-TA-410 (Fourth Review)]

### Light-Walled Rectangular Pipe and Tube From Taiwan; Determination

On the basis of the record<sup>1</sup> developed in the subject five-year review, the United States International Trade Commission ("Commission") determines, pursuant to the Tariff Act of 1930 ("the Act"), that revocation of the antidumping duty order on light-walled rectangular pipe and tube from Taiwan would be likely to lead to continuation or recurrence of material injury to an

industry in the United States within a reasonably foreseeable time.

#### Background

The Commission, pursuant to section 751(c) of the Act (19 U.S.C. 1675(c)), instituted this review on January 3, 2017 (82 FR 137) and determined on April 10, 2017 that it would conduct an expedited review (82 FR 21406, May 8, 2017).

The Commission made this determination pursuant to section 751(c) of the Act (19 U.S.C. 1675(c)). It completed and filed its determination in this review on July 25, 2017. The views of the Commission are contained in USITC Publication 4707 (July 2017), entitled *Light-Walled Rectangular Pipe and Tube from Taiwan: Investigation No. 701-TA 410 (Fourth Review)*.

By order of the Commission.

Issued: July 25, 2017.

## NATIONAL AERONAUTICS AND SPACE ADMINISTRATION

[Notice (17-052)]

### Notice of Intent To Grant Partially Exclusive Term License

**AGENCY:** National Aeronautics and Space Administration.

**ACTION:** Notice of intent to grant partially exclusive patent license.

**SUMMARY:** NASA hereby gives notice of its intent to grant a partially exclusive patent license in the United States to practice the invention described and claimed in U.S. Patent 8,813,577 entitled "Self-Contained Compressed-Flow Generation Device for use in making Differential Measurements," U.S. Patent 8,555,731 entitled "Self-Contained Compressed-Flow Generation Device for use in making Differential Measurements," U.S. Patent 8,739,638 entitled "Star-Shaped fluid flow tool for use in making differential measurements," and U.S. Patent 8,733,180 entitled "Airfoil-shaped Fluid Flow Tool for use in making Differential Measurements," to AquaStar Pool Products, Inc., having its principal place of business in Ventura, California. The fields of use may be limited to pool products and supplies. NASA has not yet made a determination to grant the requested license and may deny the requested license even if no objections are submitted within the comment period.

**DATES:** The prospective partially exclusive license may be granted unless NASA receives written objections, including evidence and argument, no later than August 14, 2017 that establish that the grant of the license would not be consistent with the requirements regarding the licensing of federally owned inventions as set forth in the Bayh-Dole Act and implementing regulations. Competing applications completed and received by NASA no later than August 14, 2017 will also be treated as objections to the grant of the contemplated exclusive license.
