SECURITIES AND EXCHANGE COMMISSION

Self-Regulatory Organizations; NYSE American LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change in Connection With the September 5, 2017 Compliance Date for the Shortening of the Standard Settlement Cycle From Three Business Days After the Trade Date to Two Business Days After the Trade Date

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the “Act”) and Rule 19b–4 thereunder, notice is hereby given that on July 26, 2017, NYSE American LLC (the “Exchange” or “NYSE AMER”) filed with the Securities and Exchange Commission (the “Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

In connection with the September 5, 2017 compliance date for shortening of the standard settlement cycle from T+3 to T+2, the Exchange proposes to delete:

• Rule 14—Equities (Non-Regular Way Settlement Instructions for Orders);4
• Rule 64—Equities (Bonds, Rights and 100-Share-Unit Stocks);
• Rule 235—Equities (Ex-Dividend, Ex-Rights);5
• Rule 236—Equities (Ex-Warrants);
• Rule 237—Equities (Deliveries After Ex-Date);
• Rule 282.65—Equities (Failure to Deliver and Liability Notice Procedures); and
• Rule 15c6–1(a) to shorten the standard settlement cycle from T+3 to T+2.6 Following this action by the SEC, the Exchange adopted new rules with the modifier “T” to reflect a T+2 settlement cycle.7 Because the Exchange would not implement the new rules until after the final implementation of T+2, the Exchange retained the versions of rules reflecting T+3 settlement on its books. In order to reduce the potential for confusion regarding which version of the rule governs, the Exchange added explanatory preambles as noted below.

In particular, the following preamble was added to Rules 14, 64, 235, 236, 257, and 282.65, as well as Sections 510 and 512 of the Company Guide: “This version of . . . will remain operative until the Exchange files separate proposed rule changes as necessary to establish the operative date of . . . to delete this version of . . . and preamble, and to remove the preamble text from the version of . . . In addition to filing the necessary proposed rule changes, the Exchange will announce via Information Memo the operative date of the deletion of this Rule and implementation of revised . . .”

The following preamble was added to Rules 14T, 64T, 235T, 236T, 257T, and 282.65T, as well as Sections 510T and 512T of the Company Guide:

“The Exchange will file separate proposed rule changes to establish the operative date of . . . to delete . . . and the preamble text from . . . and to remove the preamble text from the version of . . . Until such time . . . will remain operative. In addition to filing the necessary proposed rule changes, the Exchange will announce via Information Memo the implementation of this Rule and the operative date of the deletion of . . .”

On March 22, 2017, the SEC adopted the proposed amendment to Rule 15c6–

4 The Exchange proposes to retain the title of current Rule 14 (“Non-Regular Way Settlement Instructions for Orders”) and the legend that states “This Rule is not applicable to trading the Pillar trading platform,” which was added in connection with the Exchange’s transition to Pillar, an integrated trading technology platform designed to use a single specification for connecting to the equities and options markets operated by the Exchange and its affiliates, NYSE Arca, Inc. (“NYSE Arca”) and New York Stock Exchange LLC (“NYSE”). See Securities Exchange Act Release Nos. 80590 (May 4, 2017), 82 FR 21843 (May 10, 2017) (Approval Order) and 79993 (February 9, 2017), 82 FR 10814, 10815–16 (February 15, 2017) (Approval Order) and 79993 (February 9, 2017) (Approval Order) and 79993 (February 9, 2017) (Approval Order).
5 The Exchange proposes to retain the title of current Rule 235 (“Ex-Dividend, Ex-Rights”) and the legend that states “This Rule is not applicable to trading the Pillar trading platform,” which was added in connection with the Exchange’s transition to Pillar. See note 5, supra.

Proposed Rule Change

In order to comply with the September 5, 2017 transition to T+2 settlement, the Exchange proposes to:

- Delete Rules 64, 236, 237, 282.65, and Sec. 510 and Sec. 512 of the Company Guide, including the preambles, in their entirety;
- delete the text of Rules 14 and 235, including the preambles, and retain the title of each rule and the legend providing that the rule will not be applicable to trading in the Pillar platform;10
- delete the preambles to Rules 14T, 64T, 235T, 236T, 257T, 282.65T and Sec. 510T and 512T of the Company Guide; and
- delete the “T” modifier in Rules 64T, 235T, 236T, 257T, 282.65T and Sec. 510T and 512T of the Company Guide which distinguished such rules from the T+3 rules.

The Exchange proposes that the changes described herein would take effect on September 5, 2017, to coincide with the transition to T+2. The Exchange will announce via Information Memo the implementation of Rules 14T, 64T, 235T, 236T, 257T, 282.65T and Sec. 510T and 512T of the Company Guide and the operative date of the deletion of Rules 64, 236, 257, 282.65, and Sec. 510 and Sec. 512 of the Company Guide.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b) of the Act,11 in general, and further the objectives of Section 6(b)(5) of the Act,12 in particular, because it is designed to prevent fraudulent and manipulative acts and practices, designed to promote competition by removing impediments to and perfecting the mechanism of a free and open market and a national market thereby reducing burdens on the marketplace and facilitating investor protection.

In particular, the Exchange believes that the proposed changes remove impediments to and perfect the mechanism of a free and open market by adding clarity as to which rules are operative and when, thereby reducing potential confusion, and making the Exchange’s rules easier to navigate. The Exchange also believes that eliminating obsolete material from its rulebook also removes impediments to and perfects the mechanism of a free and open market by removing confusion that may result from having obsolete material in the Exchange’s rulebook. The Exchange believes that eliminating such obsolete material would not be inconsistent with the public interest and the protection of investors because investors will not be harmed and in fact would benefit from increased transparency, thereby reducing potential confusion.

B. Self-Regulatory Organization’s Statement on Burden on Competition

The Exchange does not believe that the proposed rule change would impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed change is not designed to address any competitive issue but rather facilitate the industry’s transition to a T+2 regular-way settlement cycle. The Exchange also believes that the proposed rule change will serve to promote clarity and consistency, thereby reducing burdens on the marketplace and facilitating investor protection.

C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The Exchange has filed the proposed rule change pursuant to Section 19(b)(3)(A)(ii) of the Act13 and Rule 19b-4(f)(6)(iii) thereunder.14 Because the proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative prior to 30 days from the date on which it was filed, or such shorter time as the Commission may designate, if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act and Rule 19b-4(f)(6)(iii) thereunder.15

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings under Section 19(b)(2)(B)16 of the Act to determine whether the proposed rule change should be approved or disapproved.

A. Self-Regulatory Organization’s Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

On January 29, 2015, the Exchange announced the implementation of Pillar, which is an integrated trading technology platform designed to use a single specification for connecting to the equities and options markets operated by the Exchange and its affiliates, NYSE Arca, Inc. (“NYSE Arca”) and New York Stock Exchange LLC (“NYSE”).

2. NYSE Arca Equities, Inc. (“NYSE Arca Equities”), which operates the cash equities trading platform for NYSE Arca, was the first trading system to migrate to Pillar.

4. NYSE Arca Equities is a wholly-owned corporation of NYSE Arca and operates as a facility of NYSE Arca.

6. To effect its transition to Pillar, the Exchange adopted the rule numbering framework of the NYSE Arca Equities, Inc.
