Certain Pasta From Italy: Preliminary Results of Antidumping Duty Administrative Review; 2015–2016

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: In response to requests from interested parties, the Department of Commerce (the Department) is conducting an administrative review of the antidumping duty order on certain pasta (pasta) from Italy, covering the period January 1, 2015, through June 30, 2016.

FOR FURTHER INFORMATION CONTACT: Joy Zhang or George McMahon, AD/CVD Operations, Office III, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482–1168 or (202) 482–1167, respectively.

Background

On September 12, 2016, the Department published a notice of initiation of an administrative review of the antidumping order on pasta from Italy. 1 On February 27, 2017, the Department rescinded the instant review, in part, with respect to Premiato Pasta di Gragnano S.A.S di Antonio Moccia (La Fabbrica), Ligurii Pastificio dal 1820 S.p.A. (Liguri), Rustichella d’Abruzzo SpA (Rustichella), and Tamma Industrie Alimentari de Capitanata S.r.L. (Tamma) pursuant to the timely withdrawal requests submitted by the respective parties. 2

Scope of the Order

Imports covered by the order are shipments of certain non-egg dry pasta. The merchandise subject to review is currently classifiable under items 1901.90.90.95 and 1902.19.20 of the Harmonized Tariff Schedule of the United States (HTSUS). Although the HTSUS subheadings are provided for convenience and customs purposes, the written description of the merchandise subject to the order is dispositive. 3

Methodology

The Department is conducting this review in accordance with section 751(a)(2) of the Tariff Act of 1930, as amended (the Act). Constructed export price or export price is calculated in accordance with section 770(a) of the Act.

For a full description of the methodology underlying our preliminary results, see Preliminary Decision Memorandum dated concurrently with, and hereby adopted by, this notice. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at https://access.trade.gov and is available to all parties in the Central Records Unit, Room B8024 of the main Department of Commerce building. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly on the Internet at http://enforcement.trade.gov/frn/index.html. The signed Preliminary Decision Memorandum and the electronic version of the Preliminary Decision Memorandum are identical in content.

Preliminary Results of the Review

As a result of this review, the Department calculated a weighted-average dumping margin of 16.07 percent for Ghigi/Zara and a de minimis margin for Indalco for the period July 1, 2015, through June 30, 2016. Therefore, in accordance with section 735(c)(5)(A) of the Act, the Department assigned the weighted-average dumping margin of 16.07 percent calculated for Ghigi/Zara to the four non-selected companies in these preliminary results, as referenced below.

Assessment Rate

Upon issuance of the final results, the Department shall determine, and CBP shall assess, antidumping duties on all appropriate entries covered by this review. If the weighted-average dumping margin for Indalco or Ghigi/Zara is not zero or a de minimis (i.e., less than 0.5 percent), we will calculate importer-specific ad valorem antidumping duty assessment rates based on the ratio of the total amount of dumping calculated for the importer’s examined sales to the total entered value of those same sales in accordance with 19 CFR 351.221(b)(1). We will instruct CBP to assess antidumping duties on all appropriate entries covered by this review when the importer-specific assessment rate calculated in the final results of this review is not zero or de minimis. Where either the respondent’s weighted-average dumping margin is zero or de minimis, or an importer-specific assessment rate is zero or de minimis, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties. The final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the final results of this review where applicable.
