Agenda

The committee will review recent stock assessment information from the U.S./Canada Transboundary Resource Assessment Committee and information provided by the Council’s Groundfish Plan Development Team (PDT) and recommend the overfishing level (OFL) and acceptable biological catch (ABC) for Georges Bank yellowtail flounder for the 2018 fishing year. They will receive an update and/or recommendations from the SSC’s working group on defining “substantial change” in status or overfishing of stocks when developing OFL and ABC recommendations. They will also receive an update on a planned review of operational assessments for other groundfish stocks. Also on the agenda will be to review information provided by the Council’s Skate PDT and recommend the OFL and ABC for the northeast skate complex for fishing years 2018–2019. Other business will be discussed as needed.
