2017, Fixed Income Clearing Corporation (“FICC”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I, II and III below, which Items have been prepared by the clearing agency. FICC filed the proposed rule change pursuant to Section 19(b)(3)(A) of the Act <sup>3</sup> and Rule 19b–4(f)(2) thereunder. <sup>4</sup> The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

(A) Clearing Agency's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

#### 1. Purpose

On July 31, 2017, FICC will amend the MBSD Rules to (1) move the time that FICC novates and treats itself as the settlement counterparty for certain transactions, (2) guarantee and novate trades with stipulations (“Stipulated Trades”), and (3) establish new processes that promote operational efficiencies for Clearing Members. <sup>8</sup> In connection with Rule Filing 2017–012, FICC is proposing with this filing to amend the fees in the MBSD Rules and the EPN Rules as further described below. The changes proposed in this filing would become effective on August 1, 2017, as described below.

#### I. Proposed Changes to the MBSD Rules

FICC is proposing to amend the fees in the MBSD Rules' *Schedule of Charges Broker Account Group* as listed below.

1. The *Account Maintenance* section would be amended to eliminate the “Option Account” fee. This change is being proposed because FICC will eliminate the Broker “give-up” process from the MBSD Rules in connection with Rule Filing 2017–012. <sup>9</sup> Because the submission of Broker Give-Up Trades (which includes Option Contracts) will be eliminated, the associated account maintenance fee for Option Accounts will be eliminated.

2. The *Trade Processing* section would be amended to change the name of the “Give-Up Trade Creates” fee to the “Trade Creates” fee. This change is being proposed because FICC will eliminate the Broker “give-up” process from the MBSD Rules in connection with Rule Filing 2017–012. <sup>10</sup>

3. The *Processing Fees* section would be amended to increase the “Trade Input Non-Compliance” fee to \$1,000 a month per Account from \$500 a month per Account. This change is being proposed in order to encourage Clearing Members to submit transactions into FICC's Real-Time Trade Matching (“RTTM”) system in a timely manner. The timely submission of transactions is especially important because FICC will novate and become the settlement counterparty to all transactions (other than Option Contracts) pursuant to Rule Filing 2017–012. <sup>11</sup>

FICC is proposing to amend the fees in the MBSD Rules' *Schedule of Charges Dealer Account Group* as listed below.
