on the program. Burden is defined at 5 CFR 1320.3(b).

Estimated Total Costs: $63,971 (per year). There are no annualized capital investment or maintenance and operational costs.

Changes in the Estimates: The total annual burden for respondents associated with pesticide product registration maintenance fee is 1,681 hours, a decrease from 1,993 hours as previously reported in the last ICR. The reason for the decrease was a slight refinement in the estimate per response from 1.14 hours to 1.13 hours and a reduction in the number responses from 1,744 to 1,471. Costs increased since the last renewal because of labor cost increases. The total estimated annual respondent burden for the pesticide registration service fee waivers information collection has increased about 15% from 5,914 hours in the existing ICR to 6,840 hours for this renewal, due to the increase of respondent’s usage of the newer waiver provisions allowed under the law.

Authority: 44 U.S.C. 3501 et seq.

Courtney Kerwin,
Director, Regulatory Support Division.
