Submission for OMB Review; Comment Request

Title: Advance Planning Document (APD) Process.

OMB No.: 0970–0417.

Description: The Advance Planning Document (APD) process, established in the rules at 45 CFR part 95, subpart F, is the procedure by which states request and obtain approval for Federal Financial Participation (FFP) in their cost of acquiring Automated Data Processing (ADP) equipment and services.

State child support agencies are required to establish and operate a federally approved statewide ADP and information retrieval system to assist in child support enforcement. States are required to submit an initial APD, containing information to assist the Secretary of the Department of Health and Human Services (HHS) in determining if the state computerized support enforcement project planning and implementation meets federal certification requirements needed for the approval of FFP. States are then required to submit annual APD updates to provide project status updates to HHS, as well as, to request ongoing FFP for systems development, enhancements, operations and maintenance. As-Needed APDs are also submitted to acquire FFP when major

milestone are missed or significant changed to project schedules occur. Based on an assessment of the information provided in APD, states that do not meet the federal requirements necessary for approval are required to conduct periodic independent verification and validation (IV&V) services for high risk project oversight.

In addition to the APDs providing HHS with the information necessary to determine the allowable level of federal funding for state systems projects, states also submit associated procurement and data security documents, such as the request for proposals (RFPs), contracts, contract amendments, and the biennial security review reports.

Respondents: State Child Support Agencies.

ACTION: Notice of reallotment of FY 2017 funds.

SUMMARY: AIDD intends to reallot funds under authority of the Development Disabilities Assistance and Bill of Rights Act of 2000 which states: “If the Secretary determines that an amount of an allotment to a State for a period (of a fiscal year or longer) will not be required by the State during the period

for the purpose for which the allotment was made, the Secretary may reallot the amount.”

AIDD will be reallotting FY 2017 funds awarded to the State Council on Developmental Disabilities (SCDD) and the Protection & Advocacy (P&A) agency located within the Commonwealth of Puerto Rico. The Puerto Rico SCDD will have up to \$1.9 million rescinded and proportionately redistributed to the remaining SCDDs. SCDDs that receive FY 2017 reallotted funds will have through the end of FY 2018 to obligate the funds and until the end of FY 2019 to liquidate the funds.

The Puerto Rico P&A will have up to \$550,000 rescinded and proportionately redistributed to the remaining P&As. P&As that receive the FY 2017 funds will have through the end of FY 2019 to spend the funds.
