Please note that comments submitted in response to this Notice are public record. Before including any detailed personal information, you should be aware that your comments as submitted, including your personal information, will be available for public review.

Abstract of proposed collection: The Department of State Bureau of Population, Refugees, and Migration (PRM) is responsible for coordinating

and managing the U.S. Refugee Admissions Program (USRAP). PRM coordinates within the Department of State, as well as with the Department of Homeland Security's U.S. Citizenship and Immigration Services (DHS/USCIS), in carrying out this responsibility. A critical part of the State Department's responsibility is determining which individuals, from among millions of refugees worldwide, will have access to U.S. resettlement consideration. The Central American Minors (CAM) Program allows certain parents lawfully present in the United States to request a refugee resettlement interview for unmarried children under 21 years of age, and certain eligible family members from El Salvador, Guatemala, or Honduras. Previously, qualifying children and eligible family members who were denied refugee status under the CAM program were considered for parole into the United States on a case-by-case basis by U.S. Citizenship and Immigration Services (USCIS). Following the USCIS announcement that it will no longer consider or authorize parole under the CAM program, the Department of State will revise the Affidavit of Relationship (AOR) for Minors Who Are Nationals of El Salvador, Guatemala, and Honduras (DS-7699) to reflect this change in policy. The DS-7699 will continue to assist DHS/USCIS to verify parent-child and other family relationships during refugee case adjudication. The main purpose of the DS-7699 is for the U.S.-based parent to provide biographical information about his/her child(ren) and other eligible family members who may subsequently seek access to the USRAP for verification by the U.S. government.

Methodology: This information collection currently involves use of electronic techniques. Parents (respondents) in the United States will work closely with a resettlement agency during the completion of the AOR to ensure that the information is accurate. Parents may visit any resettlement agency located in a U.S. community to complete an AOR. Sometimes respondents do not have strong English-language skills and benefit from having a face-to-face meeting with resettlement agency staff. The DS-7699 form will be completed electronically. Completed AORs will be printed out for ink signature by the respondents. The electronic copy will then be submitted electronically to the Refugee Processing Center (RPC) and downloaded into the Worldwide Refugee Admissions Processing System (WRAPS). The signed paper copy will remain with

PRM's Reception and Placement Agency partners.

Dated: August 15, 2017.

Simon Henshaw,

Acting Assistant Secretary, Bureau of Population, Refugees, and Migration, Department of State.
