The Commission concluded that, because commercial TV licensees will no longer be required to maintain correspondence under the Commission’s rules, under the terms of 47 U.S.C. 308(d) they also will not be required to file a summary of correspondence received regarding violent programming with their renewal application. Migratory Bird Hunting; Migratory Bird Hunting Regulations on Certain Federal Indian Reservations and Ceded Lands for the 2017–18 Season

AGENCY: Fish and Wildlife Service, Interior.

ACTION: Interim final rule.

SUMMARY: This rule prescribes special migratory bird hunting regulations for certain Tribes on Federal Indian reservations, off-reservation trust lands, and ceded lands. This rule allows the establishment of season bag limits and, thus, harvest at levels compatible with populations and habitat conditions in recognition of their authority to regulate hunting under established guidelines. The proposed rule for the 2017–18 season was delayed, requiring this interim final rule to allow Tribes to begin hunting in September. This interim rule will be replaced when the proposed rule is finalized.

DATES: This rule takes effect on September 1, 2017. Comments on this rule must be received by September 21, 2017.

ADDRESSES: You may submit comments on this interim rule and the related proposed rule (see 82 FR 39716, August 22, 2017) by one of the following methods:

SUPPLEMENTARY INFORMATION:

Background

The Migratory Bird Treaty Act (MBTA) of July 3, 1918 (16 U.S.C. 703 *et seq.*), authorizes and directs the Secretary of the Department of the Interior, having due regard for the zones of temperature and for the distribution, abundance, economic value, breeding habits, and times and lines of flight of migratory game birds, to determine when, to what extent, and by what means such birds or any part, nest, or egg thereof may be taken, hunted, captured, killed, possessed, sold, purchased, shipped, carried, exported, or transported.

In the August 22, 2017, **Federal Register** (82 FR 39716), we proposed special migratory bird hunting regulations for the 2017–18 hunting season for certain Indian tribes, under the guidelines described in the June 4, 1985, **Federal Register** (50 FR 23467). The guidelines respond to tribal requests for Service recognition of their reserved hunting rights, and for some tribes, recognition of their authority to regulate hunting by both tribal members and nonmembers on their reservations. The guidelines include possibilities for:

(1) On-reservation hunting by both tribal members and nonmembers, with hunting by nontribal members on some reservations to take place within Federal frameworks but on dates different from those selected by the surrounding State(s);

(2) On-reservation hunting by tribal members only, outside of usual Federal frameworks for season dates and length, and for daily bag and possession limits; and

(3) Off-reservation hunting by tribal members on ceded lands, outside of usual framework dates and season length, with some added flexibility in daily bag and possession limits.

In all cases, the regulations established under the guidelines must be consistent with the March 10–September 1 closed season mandated by the 1916 Migratory Bird Treaty with Canada.

Because some tribal seasons begin September 1, before the September 21, 2017, closing date of the comment period and finalization of the August 22,
