

publication of the final results of this review for shipments of the subject merchandise from the PRC entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided by sections 751(a)(2)(C) of the Act: (1) For the companies listed above that have a separate rate, the cash deposit rate will be equal to the weighted-average dumping margin established in the final results of this review (except, if the rate is *de minimis*, then cash deposit rate will be zero); (2) for previously examined PRC and non-PRC exporters not listed above that at the time of entry are eligible for a separate rate based on a prior completed segment of this proceeding, the cash deposit rate will continue to be the existing exporter-specific cash deposit rate; (3) for all PRC exporters of subject merchandise that have not been found to be entitled to a separate rate at the time of entry, the cash deposit rate will be that for the PRC-wide entity (*i.e.*, 118.04 percent); and (4) for all non-PRC exporters of subject merchandise which at the time of entry are not eligible for a separate rate, the cash deposit rate will be the rate applicable to the PRC exporter that supplied that non-PRC exporter. These deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during the POR. Failure to comply with this requirement could result in the Department's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification to Interested Parties

This preliminary determination is issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: August 31, 2017.

Gary Taverman,

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations, performing the non-exclusive functions and duties of the Assistant Secretary for Enforcement and Compliance.

SUPPLEMENTARY INFORMATION:

I. Abstract

The EU-U.S. Privacy Shield Framework was designed by the U.S. Department of Commerce (DOC) and the European Commission (Commission) to provide companies on both sides of the Atlantic with a mechanism to comply with data protection requirements when transferring personal data from the European Union to the United States in support of transatlantic commerce. On July 12, 2016, the Commission deemed the EU-U.S. Privacy Shield Framework (Privacy Shield) adequate to enable data transfers under EU law, and on August 1, 2016, the DOC began accepting self-certifications from U.S. companies to join the program (81 FR 47752; July 22, 2016). For more information on the Privacy Shield, visit www.privacyshield.gov.

As described in Annex I of the Privacy Shield, the DOC and the Commission have committed to implement an arbitration mechanism to provide European individuals with the ability to invoke binding arbitration to determine, for residual claims, whether an organization has violated its obligations under the Privacy Shield. Organizations voluntarily self-certify to the Privacy Shield and, upon certification, the commitments the organization has made to comply with the Privacy Shield become legally enforceable under U.S. law. Organizations that self-certify to the Privacy Shield commit to binding arbitration of residual claims if the individual chooses to exercise that option. Under the arbitration option, a Privacy Shield Panel (consisting of one or three arbitrators, as agreed by the parties) has the authority to impose individual-specific, non-monetary equitable relief (such as access, correction, deletion, or return of the individual's data in question) necessary to remedy the violation of the Privacy Shield only with respect to the individual. The parties will select the arbitrators from the list of arbitrators described below.

The DOC and the European Commission seek to develop a list of at least 20 arbitrators. To be eligible for inclusion on the list, applicants must be admitted to practice law in the United States and have expertise in both U.S. privacy law and EU data protection law. Applicants shall not be subject to any instructions from, or be affiliated with, any Privacy Shield organization, or the U.S., EU, or any EU Member State or any other governmental authority, public authority or enforcement authority.

Eligible individuals will be evaluated on the basis of independence, integrity, and expertise:

Independence

- Freedom from bias and prejudice.

Integrity

- Held in the highest regard by peers for integrity, fairness and good judgment.
- Demonstrates high ethical standards and commitment necessary to be an arbitrator.

Expertise

Required:

- Admission to practice law in the United States.
- Level of demonstrated expertise in U.S. privacy law and EU data protection law.

Other expertise that may be considered includes any of the following:

- Relevant educational degrees and professional licenses.
- Relevant professional or academic experience or legal practice.
- Relevant training or experience in arbitration or other forms of dispute resolution.

Evaluation of applications for inclusion on the list of arbitrators will be undertaken by the DOC and the Commission. Selected applicants will remain on the list for a period of 3 years, absent exceptional circumstances; change in eligibility, or for cause, renewable for one additional period of 3 years.

The DOC is in the process of selecting an administrator for Privacy Shield arbitrations.^a Among other things, once selected, the Administrator will facilitate arbitrator fee arrangements, including the collection and timely payment of arbitrator fees and other expenses. Arbitrators are expected to commit their time and effort when included on the Privacy Shield List of Arbitrators and to take reasonable steps to minimize the costs or fees of the arbitration.

Arbitrators will be subject to a code of conduct consistent with Annex I of the Privacy Shield Framework and generally accepted ethical standards for arbitrators. The DOC and the Commission agreed to adopt an existing, well-established set of U.S. arbitral procedures to govern the arbitral proceedings, subject to considerations identified in Annex I of the Privacy Shield Framework, including that

materials submitted to arbitrators will be treated confidentially and will only be used in connection with the arbitration. For more information, please visit <https://www.privacyshield.gov/article?id=G-Arbitration-Procedures> where you can find information on the arbitration procedures.
