AGENCY: Board of Governors of the Federal Reserve System.

SUMMARY: The Board of Governors of the Federal Reserve System (Board) is adopting a proposal to extend for three years, without revision, the mandatory Government-Administered, General-Use Prepaid Card Issuer Survey (FR 3063a; OMB No. 7100–0343) and the voluntary Government-Administered, General-Use Prepaid Card Government Survey (FR 3063b; OMB No. 7100–0343).

On June 15, 1984, the Office of Management and Budget (OMB) delegated to the Board authority under the Paperwork Reduction Act (PRA) to approve of and assign OMB control numbers to collection of information requests and requirements conducted or sponsored by the Board. Board-approved collections of information are incorporated into the official OMB inventory of currently approved collections of information. Copies of the Paperwork Reduction Act Submission, supporting statements and approved collection of information instrument(s) are placed into OMB’s public docket files. The Federal Reserve may not conduct or sponsor, and the respondent is not required to respond to, an information collection that has been extended, revised, or implemented on or after October 1, 1995, unless it displays a currently valid OMB control number.

This subsection requires the Board to submit an annual report to Congress on the prevalence of the use of general-use prepaid cards in Federal, State or local government-administered payment programs and on the interchange and cardholder fees charged with respect to such use of such cards.

The Board uses data from these surveys to support an annual report to the Congress on the prevalence of use of general-use prepaid cards in federal, state, and local government-administered payment programs and on the interchange and cardholder fees charged with respect to such use of such cards.
