

of 1989 (FIRREA) agencies¹ conduct the FR 29a survey jointly. The FR 29b is collected by the Board only.

Legal authorization and confidentiality: The Board's Legal Division has determined that the FR 29a and FR29b surveys are voluntary and authorized by sections 10(4) and 11(1) of the Federal Reserve Act (12 U.S.C. 244 and 248(1)), which authorize the Board to determine employees' compensation. The FR 29a survey is completed by an outside consultant that submits to the Board a report of the survey containing only aggregate data. Because the Board does not collect or have access to the individual respondent data, no confidentiality issue arises with respect to the individual responses to the FR 29a. The Board does not consider the report containing aggregate data to be confidential. The FR 29b consists of ad hoc surveys conducted by the Board during the year to collect information on specific salary and non-salary matters that affect Board employees. The ability of the Board to maintain the confidentiality of information provided by respondents to the FR 29b surveys will have to be determined on a case by case basis depending on the data collected under a particular survey. Some of the information collected on the surveys may be protected from Freedom of Information Act (FOIA) disclosure by FOIA exemptions 4 and 6. (5 U.S.C. 552 (b)(4) and (6)). Exemption 4 protects from disclosure trade secrets and commercial or financial information, while Exemption 6 protects information "the disclosure of which would constitute a clearly unwarranted invasion of personal privacy."

Consultation outside the agency: Towers Watson and the Board work together to review and update the FR 29a survey instrument.

Current actions: On June 29, 2017 the Board published a notice in the **Federal Register** (82 FR 29564) requesting public comment for 60 days on the extension, without revision, of the Compensation and Salary Surveys. The comment period for this notice expired on August 28, 2017. The Board did not receive any comments.

¹ For purposes of this proposal, the FIRREA agencies consist of: The Federal Reserve Board, the Office of the Comptroller of the Currency, the Federal Deposit Insurance Corporation, the National Credit Union Administration, the Commodities Futures Trading Commission, the Farm Credit Administration, and the Securities and Exchange Commission.

Board of Governors of the Federal Reserve System, September 6, 2017.

Ann E. Misback,

Secretary of the Board.
