Certain Frozen Fish Fillets From the Socialist Republic of Vietnam: Preliminary Results, Preliminary Determination of No Shipments, and Partial Rescission of the Antidumping Duty Administrative Review; 2015-2016

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department preliminarily determines that the application of facts available is warranted for mandatory respondent GODACO Seafood Joint Stock Company (GODACO). In addition, the Department preliminarily determines that the application of facts available with an adverse inference is warranted for GODACO because it has not cooperated to the best of its ability. However, the Department preliminarily determines that GODACO qualifies for a separate rate for its exports of subject merchandise to the United States during the period of review (POR) August 1, 2015, through July 31, 2016. The Department also preliminarily determines that mandatory respondent Golden Quality Seafood Corporation (Golden Quality) does not qualify for a separate rate and is, therefore, considered a part of the Vietnam-Wide¹ Entity. If these preliminary results are adopted in the final results, the Department will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all appropriate entries of subject merchandise during the POR. Interested parties are invited to comment on these preliminary results.

DATES: Effective September 12, 2017.
