

rejecting orders for vertical and calendar spread strategies that are entered at a negative price will protect investors from executing orders that were likely entered in error.³¹ The Commission believes that waiver of the operative delay is consistent with the protection of investors and the public interest because the proposed rules are designed to reduce investor confusion and to prevent the entry and execution of erroneously priced ECOs. Therefore, the Commission hereby waives the operative delay and designates the proposed rule change operative upon filing.³²

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule change should be approved or disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments

- Use the Commission's Internet comment form (<http://www.sec.gov/rules/sro.shtml>); or
- Send an email to rule-comments@sec.gov. Please include File Number SR-NYSEAMER-2017-07 on the subject line.

³¹ As discussed above, the proposal also allows the Exchange to deactivate the Reasonability Check for calendar spread strategies. The Exchange will notify ATP Holders and ATP Firms by electronic message of any such deactivation or re-activation. The Exchange believes that this discretion is necessary because a corporate action, for example, could result in the Reasonability Check for calendar spread strategies rejecting an otherwise valid strategy. The proposal also provides that the Reasonability Check for calendar spread strategies will not apply to ECOs that are entered on the Trading Floor. The Exchange notes that such orders are subject to manual handling by individuals who will have evaluated the price of the order based on market conditions. The Exchange further notes that another exchange has adopted a similar rule. See note 19, *supra*.

³² For purposes only of waiving the 30-day operative delay, the Commission also has considered the proposed rule's impact on efficiency, competition, and capital formation. See 15 U.S.C. 78c(f).

To help the Commission process and review your comments more efficiently, please use only one method. The Commission will post all comments on the Commission's Internet Web site (<http://www.sec.gov/rules/sro.shtml>). Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for Web site viewing and printing in the Commission's Public Reference Room, 100 F Street NE., Washington, DC 20549, on official business days between the hours of 10:00 a.m. and 3:00 p.m. Copies of the filing also will be available for inspection and copying at the principal office of the Exchange. Summary of the Application

1. Applicants request an order to permit (a) each Fund¹ (each a "Fund of Funds") to acquire shares of Underlying Funds² in excess of the limits in sections 12(d)(1)(A) and (C) of the Act and (b) each Underlying Fund that is a registered open-end management investment company or series thereof, their principal underwriters and any broker or dealer registered under the Securities Exchange Act of 1934 to sell shares of the Underlying Funds to the Fund of Funds in excess of the limits in section 12(d)(1)(B) of the Act.³ Applicants also request an order of exemption under sections 6(c) and 17(b) of the Act from the prohibition on certain affiliated transactions in section 17(a) of the Act to the extent necessary to permit the Underlying Funds to sell their shares to, and redeem their shares from, the Funds of Funds.⁴ Applicants

¹ Applicants request that the order apply not only to any existing series of the Trust, but that the order also extend to any future series of the Trust and any other existing or future registered open-end management investment companies and any series thereof that are, or may in the future be, advised by the Initial Advisor or its successor or any other investment adviser controlling, controlled by, or under common control with the Initial Advisor or its successor and that are part of the same group of investment companies, as defined in section 12(d)(1)(C)(ii) of the Act, as the Trust (together with the existing series of the Trust, each series a "Fund" and collectively, the "Funds"). For purposes of the requested order, "successor" is limited to an entity that results from a reorganization into another jurisdiction or a change in the type of business organization. For purposes of the request for relief, the term "group of investment companies" means any two or more registered investment companies, including closed-end investment companies and BDCs, that hold themselves out to investors as related companies for purposes of investment and investor services.

² Certain of the Underlying Funds have obtained exemptions from the Commission necessary to permit their shares to be listed and traded on a national securities exchange at negotiated prices and, accordingly, to operate as an exchange-traded fund ("ETF").

³ Applicants are not requesting relief for a Fund of Funds to invest in BDCs and registered closed-end investment companies that are not listed and traded on a national securities exchange.

⁴ Applicants note that a Fund of Funds generally would purchase and sell shares of an Underlying

state that such transactions will be consistent with the policies of each Fund of Funds and each Underlying Fund and with the general purposes of the Act and will be based on the net asset values of the Underlying Funds.

2. Applicants agree that any order granting the requested relief will be subject to the terms and conditions stated in the application. Such terms and conditions are designed to, among other things, help prevent any potential (i) undue influence over an Underlying Fund that is not in the same "group of investment companies" as the Fund of Funds through control or voting power, or in connection with certain services, transactions, and underwritings, (ii) excessive layering of fees, and (iii) overly complex fund structures, which are the concerns underlying the limits in sections 12(d)(1)(A), (B), and (C) of the Act.

3. Section 12(d)(1)(f) of the Act provides that the Commission may exempt any person, security, or transaction, or any class or classes of persons, securities, or transactions, from any provision of section 12(d)(1) if the exemption is consistent with the public interest and the protection of investors. Section 17(b) of the Act authorizes the Commission to grant an order permitting a transaction otherwise prohibited by section 17(a) if it finds that (a) the terms of the proposed transaction are fair and reasonable and do not involve overreaching on the part of any person concerned; (b) the proposed transaction is consistent with the policies of each registered investment company involved; and (c) the proposed transaction is consistent with the general purposes of the Act. Section 6(c) of the Act permits the Commission to exempt any persons or transactions from any provision of the Act if such exemption is necessary or appropriate in the public interest and consistent with the protection of investors and the purposes fairly

Fund that operates as an ETF or closed-end fund through secondary market transactions rather than through principal transactions with the Underlying Fund. Applicants nevertheless request relief from sections 17(a)(1) and (2) to permit each Fund of Funds that is an affiliated person, or an affiliated person of an affiliated person, as defined in section 2(a)(3) of the 1940 Act, of an ETF or closed-end fund to purchase or redeem shares from the ETF or closed-end fund. Applicants are not seeking relief from section 17(a) for, and the requested relief will not apply to, transactions where an ETF, BDC or closed-end fund could be deemed an affiliated person, or an affiliated person of an affiliated person, of a Fund of Funds because an investment adviser to the ETF, BDC or closed-end fund or an entity controlling, controlled by or under common control with the investment adviser to the ETF, BDC or closed-end fund is also an investment adviser to the Fund of Funds.

intended by the policy and provisions of the Act.

For the Commission, by the Division of Investment Management, pursuant to delegated authority.

Eduardo A. Aleman,

Assistant Secretary.
