#### SUPPLEMENTARY INFORMATION:

##### A. Purpose

GSA's Federal Supply Schedule (FSS) program, commonly known as the GSA Schedules program or Multiple Award Schedule (MAS) program provides federal agencies with a simplified process for acquiring commercial supplies and services. The FSS program is the Government's preeminent contracting vehicle, accounting for approximately 10 percent of all federal contract dollars with \$33 billion of purchases made through the program in fiscal year 2016.

Activities placing orders against a GSA Schedule contract must pay an Industrial Funding Fee (IFF) that reimburses GSA's Federal Acquisition Service (FAS) for the costs of operating the FSS program. FAS recoups its operating costs from ordering activities (*i.e.*, customers) as set forth in 40 U.S.C. 321: Acquisition Services Fund. Net operating revenues generated by the IFF are also applied to fund initiatives benefitting other authorized FAS programs, in accordance with 40 U.S.C. 321. The IFF, currently set at 0.75 percent, is included in the order price, so when a vendor is paid for an FSS order, it is also collecting the IFF. Collection is similar to a state sales tax, where a customer pays the tax due to a merchant, and then the merchant remits the taxes collected to the state government.

GSA requires vendors to report their FSS sales each quarter so it can determine the amount of IFF the vendors have collected from customers, and therefore must remit to GSA. However, GSA also uses this information for other purposes, including budgeting, determining whether vendors have met the

minimum sales requirement,<sup>1</sup> evaluating the program's performance, and monitoring small business participation.

Vendor reporting and remittance requirements are set forth in General Services Administration Acquisition Regulation (GSAR) clause 552.238-74, Industrial Funding Fee and Sales Reporting, or Alternate I of that clause. While both clause versions govern how the IFF is calculated and remitted, the reporting requirements differ between the basic version and Alternate I:

*Clause 552.238-75: Basic Version:* This version requires vendors to report their FSS contract sales to GSA once a quarter. GSA then calculates the IFF due based on the total amount of sales reported, and the vendor must remit that amount within 30 days after the end of the quarter. The basic version of the clause applies to approximately 72 percent of GSA Schedule contracts.

*Clause 552.238-75: Alternate I:* While the basic version requires vendors to report their total FSS sales each quarter, Alternate I requires vendors to report the transactional data generated from orders each month. GSA then calculates the IFF due based on the transactional data reported, and the vendor must remit that amount within 30 days after the end of the quarter. Alternate I of the clause applies to FSS contracts participating in the Transactional Data Reporting pilot. The pilot commenced on June 23, 2016 and will run for at least a year before substantial changes are considered. Approximately 28 percent of GSA Schedule contracts are eligible to participate in the pilot.

Since the reporting requirements vary by the two versions of clause 552.238-74, separate Paperwork Reduction Act information collections have been established for each version. The information collection associated with OMB control number 3090-0306, which expires on 8/31/2019, applies to Alternate I. This information collection (OMB control number 3090-0121) applies to the basic version of the clause.

#### Information Collection Changes and Updates

- The population of vendors subject to this information collection is smaller than the previous version, as FSS contracts eligible to participate in the Transactional Data Reporting pilot

<sup>1</sup> The FSS Contract Sales Criteria clause requires vendors to have at least \$25,000 in sales over the first two years of a contract and then \$25,000/year in sales for each year thereafter. Vendors that have not satisfied the minimum sales requirement are subject to cancellation in accordance with GSAR clause 552.238-73 *Cancellation*.
