

upper threshold for the life of the order and whereby the order will be cancelled at any point if it exceeds \$101.00 or falls below \$99.00, the established thresholds. With certain exceptions, each order also must contain the applicable order attributes, including routing instructions and time-in-force information, as described in Nasdaq Rule 4703.

The proposed rule change is designed to perfect the mechanism of a free and open market and, in general, to protect investors and the public interest in that it will facilitate the listing and trading of the Fund, which seeks to provide investors with access to an actively managed investment strategy in a structure that offers the cost and tax efficiencies and shareholder protections of ETFs, while removing the requirement for daily portfolio holdings disclosure to ensure a tight relationship between market trading prices and NAV.

For the above reasons, Nasdaq believes the proposed rule change is consistent with the requirements of Section 6(b)(5) of the Act.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. In fact, the Exchange believes that the introduction of the Fund would promote competition by making available to investors an actively managed investment strategy in a structure that offers the cost and tax efficiencies and shareholder protections of ETFs, while removing the requirement for daily portfolio holdings disclosure to ensure a tight relationship between market trading prices and NAV. Moreover, the Exchange believes that the proposed method of Share trading would provide investors with transparency of trading costs, and the ability to control trading costs using limit orders, that is not available for conventionally traded ETFs.

These developments could significantly enhance competition to the benefit of the markets and investors.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 45 days of the date of publication of this notice in the **Federal Register** or within such longer period up to 90 days (i) as the Commission may designate if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the self-regulatory organization consents, the Commission will: (a) By order approve or disapprove such proposed rule change; or (b) institute proceedings to determine whether the proposed rule change should be disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments

- Use the Commission's Internet comment form (<http://www.sec.gov/rules/sro.shtml>); or
- Send an email to rule-comments@sec.gov. Please include File Number SR-NASDAQ-2017-090 on the subject line.

Paper Comments

- Send paper comments in triplicate to Secretary, Securities and Exchange Commission, 100 F Street NE., Washington, DC 20549-1090.

Extension:

Rule 17f-2(c)

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 ("PRA") (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments on the existing collection of information provided for in Rule 17f-2(c) (17 CFR 240.17f-2(c)), under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*). The Commission plans to submit this existing collection of information to the Office of Management and Budget ("OMB") for extension and approval.

Rule 17f-2(c) allows persons required to be fingerprinted pursuant to Section 17(f)(2) of the Act to submit their fingerprints to the Attorney General of the United States or its designee (*i.e.*, the Federal Bureau of Investigation ("FBI")) through a registered national securities exchange or a registered national securities association (collectively, also known as "self-regulatory organizations" or "SROs") pursuant to a fingerprint plan filed with, and declared effective by, the Commission. Fingerprint plans have been declared effective for the American, Boston, Chicago, New York, and Philadelphia stock exchanges and for the Financial Industry Regulatory

³⁶ 17 CFR 200.30-3(a)(12).

Authority (“FINRA”) and the Chicago Board Options Exchange. Currently, FINRA accounts for the bulk of the fingerprint submissions.

It is estimated that 4,200 respondents submit approximately 285,600 sets of fingerprints (consisting of approximately 243,600 electronic sets and 42,000 hard copy sets) to SROs on an annual basis. The Commission estimates that it would take approximately 15 minutes to create and submit each fingerprint card. The total reporting burden is therefore estimated to be approximately 71,400 hours, or approximately 15 hours per respondent, annually.

In addition, the SROs charge an estimated \$25.00 fee for processing fingerprint cards submitted electronically, resulting in a total annual cost to all 4,200 respondents of \$6,090,000, or \$1,450 per respondent per year. The SROs charge an estimated \$40.00 fee for processing fingerprint cards submitted in hard copy, resulting in a total annual cost to all 4,200 respondents of approximately \$1,680,000, or \$400 per respondent per year. The combined annual cost to all respondents is thus \$7,770,000.

Because the FBI will not accept fingerprint cards directly from submitting organizations, Commission approval of fingerprint plans from certain SROs is essential to carry out the Congressional goal to fingerprint securities industry personnel. Filing these plans for review assures users and their personnel that fingerprint cards will be handled responsibly and with due care for confidentiality.

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission’s estimates of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information under the PRA unless it displays a currently valid OMB control number.

Please direct your written comments to: Pamela Dyson, Director/Chief

Information Officer, Securities and Exchange Commission, c/o Remi Pavlik-Simon, 100 F Street NE., Washington, DC 20549, or send an email to: PRA_Mailbox@sec.gov.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-81573; File No. SR-NYSEARCA-2017-97]

Self-Regulatory Organizations; NYSE Arca, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Amend the NYSE Arca Equities Fees and Charges

September 11, 2017.

Pursuant to Section 19(b)(1)¹ of the Securities Exchange Act of 1934 (the “Act”)² and Rule 19b-4 thereunder,³ notice is hereby given that, on August 29, 2017, NYSE Arca, Inc. (the “Exchange” or “NYSE Arca”) filed with the Securities and Exchange Commission (the “Commission”) the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend the NYSE Arca Equities Fees and Charges (the “Fee Schedule”) to adopt a cap, for August and September 2017, on monthly fees for the use of ports connecting to NYSE Arca that are added after August 18, 2017. The Exchange proposes to implement the changes on August 29, 2017.⁴ The proposed rule change is available on the Exchange’s Web site at www.nyse.com, at the principal office of the Exchange, and at the Commission’s Public Reference Room.

¹ 15 U.S.C. 78s(b)(1).

² 15 U.S.C. 78a.

³ 17 CFR 240.19b-4.

⁴ The Exchange originally filed to amend the Fee Schedule on August 18, 2017 (SR-NYSEARCA-2017-91) and withdrew such filing on August 29, 2017.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

In connection with the introduction of new gateways on August 21, 2017, the Exchange proposes to amend its Fee Schedule to adopt a cap, for August and September 2017, on monthly fees for the use of ports connecting to NYSE Arca that are added after August 18, 2017.

The Exchange currently makes ports available that provide connectivity to the Exchange’s trading systems (*i.e.*, ports for the entry of orders and/or quotes (“order/quote entry ports”)) and charges \$550 per port per month.⁵ The Exchange also currently makes ports available for drop copies and charges \$550 per port per month.⁶

In order to facilitate an ETP Holder’s transition to the Exchange’s new gateways on August 21, 2017, the Exchange proposes to add to its Fee Schedule that, for the billing months of August and September 2017, the total charge per firm for order/quote entry ports and drop copy ports will be capped at the total number of such ports that the firm has activated at the start of trading on August 18, 2017, the last trading day prior to the introduction of the new gateways. This cap would have the effect of waiving the port fees, for August and September 2017, of any

⁵ Port fees are not applicable to ports used for the Exchange’s Risk Management Gateway service. Further, no fee applies to ports in the backup datacenter that are not utilized during the relevant month. No fee applies to ports in the backup datacenter that are utilized when the primary datacenter is unavailable. However, if a port in the backup datacenter is utilized when the primary datacenter is available, then the fee shall apply.

⁶ No fee applies to ports in the backup datacenter if configured such that it is duplicative of another drop copy port of the same user. Only one fee per drop copy port applies, even if the port receives drop copies from multiple order/quote entry ports and/or drop copies for activity on both NYSE Arca Equities and NYSE Arca Options.
