Self-Regulatory Organizations: NYSE American LLC: Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Modify the NYSE American Options Fee Schedule

September 11, 2017.

Pursuant to Section 19(b)(1)10 of the Securities Exchange Act of 1934 (the “Act”)2 and Rule 19b–4 thereunder,3 notice is hereby given that, on September 1, 2017, NYSE American LLC (the “Exchange” or “NYSE American”) filed with the Securities and Exchange Commission (the “Commission”) the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to modify the NYSE American Options Fee Schedule (“Fee Schedule”). The Exchange proposes to implement the fee change effective September 1, 2017. The proposed change is available on the Exchange’s Web site at www.nyse.com, at the principal office of the Exchange, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of this filing is to modify the Fee Schedule, effective September 1, 2017. Specifically, the Exchange proposes to amend the American Customer Engagement (“ACE”) Program to modify various credits offered and to establish certain credits provided depending on the type of Electronic transactions (e.g., whether it is a simple or complex execution). The Exchange also proposes to add “Simple Order” to the glossary of defined terms in the Fee Schedule.

Section I.E. of the Fee Schedule describes the Exchange’s ACE Program. The ACE Program features a base tier and five higher tiers expressed as a percentage of TCADV4 and provides two alternative methods by which Order Flow Providers (each an “OPF”) may receive per contract credits for Electronic Customer volume that the

See Fee Schedule, Section I.E., available here, [https://www.nyse.com/publicdocs/nyse/markets/american-options/NYSE_American_Options_Fee_Schedule.pdf]. See also Fee Schedule, Key Terms and Definitions (defining TCADV as “Total Industry Customer equity and ETF option average daily volume. TCADV includes OCC calculated Customer volume of all types, including Complex Order transactions and QCC transactions, in equity and ETF options”).

The volume thresholds are based on an OPF’s Customer volume transacted Electronically as a percentage of total industry Customer equity and ETF options volumes as reported by the Options Clearing Corporation [the “OCC”]. See OCC Monthly Statistics Reports, available here, http://www.theocc.com/webapps/monthly-volume-reports.

As an alternative to the Step Up qualification basis, an OPF may qualify for Tier 2 (and receive the same $0.18 per contract credit) by achieving greater than 0.75 CADV.

See Fee Schedule, Section I.E., n. 1 (providing that the credit for Customer Complex Orders is provided regardless of whether the Complex Order trades against interest in the Complex Order Book or with individual orders and quotes in the Consolidated Book).

See proposed Fee Schedule, Section I.E.

The Enhanced Credits are only available to those OPFs who have an Affiliated NYSE American Options Market Making firm or an Appointed MM that has committed to the 1 Year Prepayment Program, Balance of the Year Program, or the 3 Year Prepayment Program.
